PRAYER HIGHLIGHTS

THE WORLD

Russia

On 10 Nov, Russia reported a record 1,239 deaths from COVID-19 in 24 hours after most of its regions emerged from a workplace shutdown to curb the spread of the virus. The reported number of new cases in 24 hours was about 38,000 and hospitals were running out of oxygen reserves. Pray for the COVID-19 situation in Russia to be contained and for the hospitals to be sufficiently stocked with oxygen and medical supplies, to treat the infected.

SINGAPORE

COVID-19 Measures

Pray that our Multi-Ministerial Taskforce will have divine wisdom to make right and timely decisions as they gradually ease measures for dining out and allow for sports, school life and other activities to resume, while keeping risks under control. Pray that the COVID-19 situation will continue to stabilise; that businesses and the public will cooperate with the government's approach of doing things in a "progressive way", maintaining a balance between safe management measures, vaccinations and ensuring hospitals are not overwhelmed.

DIOCESE

Christ Church, Singapore

Pray for the Ag Vicar Revd Edison Wilson and his team to shepherd the flock in Christ Church, Singapore, under God's divine guidance and wisdom; for Canon Steven Asirvatham's speedy recovery from surgery and for unity among the 6 congregations.

Church of the Epiphany

Pray for the Ag Vicar Revd Paul Xavier and his team to guide and shepherd the flock in Church of the Epiphany. Pray for God's abundant financial provision to complete the church's redevelopment project; for smooth transition into the new premises when T.O.P is obtained and for many in the community to be touched by the love of Christ through the church's Christmas Community Donation Drive.

CATHEDRAL

Our Community

Pray for the Cathedral members to grow deeply rooted in God's word, fervent in prayer and passionate in evangelism. Pray that God will unite us by His Spirit and open doors of opportunity for us to boldly proclaim His message of love and bring many to salvation in Christ.

MENTAL HEALTH ISSUES IN THE YOUNG

A CONVERSATION WITH A/PROF. JOHN WONG CHEE MENG

Several fatal incidents over the last year involving youths have shocked the nation and turned the spotlight on what may just be the tip of the iceberg—and that is the prevalence of mental health issues in our young people in Singapore.

Singapore is a high pressure competitive society where the overwhelming desire to get ahead and stay ahead is ingrained early in life. Failure is not an option. The stresses that this produces are keenly felt in our vulnerable youths and may manifest psychologically, sometimes in a tragic manner.

Do join us for this Zoom conversation with A/Prof John Wong on this touchpaper topic and gain an insight on how you can recognise the signs and provide help, particularly if you are a parent.

A/Prof Wong was formerly the Head of the Department of Psychological Medicine in the National University of Singapore and is the Director of its Mind Science Centre. This Zoom conversation will be held at **7pm on Thursday, 18 November 2021** and will be moderated by A/Prof. Joseph Thambiah

You will be sent a link with instructions via email. You are encouraged to send any questions that you may have ahead of time to SACHFhealthtalk@gmail.com

REPORT ON THE NAVE RESTORATION PROJECT

In 2019, the AGM approved a major restoration of the Cathedral Nave, covering the plaster and painting of the external and internal walls of the main building and transepts, various repairs and electrical works. Since then, over \$5,000,000 has been raised towards the restoration. In June 2021, Cathedral appointed the contractor to undertake the works, which will start in January 2022 and take up to 12 months.

After considering the health and safety of the congregation and challenges to maintaining sanctity of worship under restoration conditions, the PCC together with the Mandarin Congregation Church Council (CC) decided to close the Nave during the restoration works.

The PCC and CC considered alternative sites for worship services. Some options involve significant costs, and possible continued restrictions to on-site worship due to COVID-19 added uncertainty. The PCC and CC working together, decided to exercise financial prudence, and use existing Cathedral facilities for worship services during the Nave closure.

We have sought to maximise the number of worshippers who can safely attend our onsite services, and we are pleased to announce that based on current Safe Management Measures we will be able to welcome up to 200 worshippers for each

service in the Pavilion and the Cathedral New Sanctuary. Details of the alternative worship venues for 2022 may be found online, at

<https://cathedral.org.sg/events/single/nave-restoration-project>

You may want to check out the **Frequently Asked Questions** on the webpage. If you have questions that are not answered in the FAQs, you may email your questions to nave_restoration@cathedral.org.sg.
