PRAYER HIGHLIGHTS

THE WORLD

The new variant Omicron has been spreading steadily across the world, beginning with S. Africa, to western countries and most recently to Asia. The number of global infections has increased fourfold in the last few weeks. Pray that poorer countries will have ready access to vaccines; for protection of the elderly, the vulnerable and healthcare workers, from infection. Pray also for sufficient hospital facilities, medical supplies and manpower to meet the rapid increase in demand within a short time.

Pray for God's sovereign and merciful intervention in Myanmar to bring an end to the political chaos, sufferings and senseless killings which has claimed many lives over the past one year. Pray for the restoration of justice and peace in this land.

SINGAPORE

Pray for continued and sustained efforts by our government to monitor the COVID-19 situation so that the Omicron variant will not overwhelm our healthcare system. Pray that safe management measures will be observed by all

especially during the forthcoming Chinese New Year celebrations. Pray for the effective containment and eradication of the Aedes aegypti mosquito population in Singapore.

A new dengue virus strain has been detected and dengue cases are expected to rise to levels which will exceed the 2021 case numbers. Pray for increased and urgent collective efforts by the public and sustained vector control efforts to effectively prevent an escalation of dengue case numbers to outbreak levels.

DIOCESE

Pray that God will grant His wisdom and empowering to those who are overseeing the work of St Andrew's Mission Hospital; that SAMH will be a channel of blessing to our nation and will fulfil God's plans for it in 2022. Pray that SAMH will be a light in society, relieving suffering and enriching lives with the love of Christ; that staff will serve with excellence in their various capacities to impact lives for the glory of God.

CATHEDRAL

Pray that Cathedral members will be passionate about evangelism and missions; that over the Chinese New Year period we will have many opportunities to share the gospel with loved ones and lead them to faith in Christ.

Pray that we will continue to reach out to one another in this pandemic and deepen our community life. Pray that we will unite around the vision that God has for us in 2022.

We are going to explore what Jesus desires of us, seniors. With the remainder of time and life left, how can we be of use and be beneficial to our families, community, church and nation; how can we love God and love our neighbours, as the Scripture has commanded; how can we continue to be God's cheerful and pleasing channels of blessings?

Hey Bro, I am Gay

Part 2

What would be your response if a friend comes up to you and declares? "Hey bro, I'm gay" Or if that someone is even closer, a son or nephew, what would be your response? Such issues challenge our beliefs and values and cannot be avoided because we live in an inclusive society. People close to us can be affected and influenced. As Christians, we must know how to respond, with grace, seasoned with salt, and know how to answer everyone (Col 4:6) We must see such challenges as opportunities to witness our faith and not pass judgment, as Jesus demonstrated in John 8:7.

As a follow-up to the talk in March 2021, Pastor Ian Toh, and members of his ministry will shed more light on the subject based on a Q&A booklet on Homosexuality, A Christian Perspective, published by Church 3:16 on 26th February 2022.

Thy Kingdom Come

Archbishop's Message 2022

Dear sisters and brothers in Christ,

Together with my brother Bishops in our beloved Province, I bring greetings in the Priceless Name of our Lord Jesus Christ!

Amidst uncertainties of the future, nations are making every effort to return to certain degree of normalcy. Faced with chaos of a sort, resulted from the pandemic, we yearn for order to come into our lives, so that we can live our lives in peace. The nations of the world seek order and peace in our own ideas and wisdom, in science and human reasonings. However, we know from the revelation of God's words that true peace and order can only be found in Christ and in His Kingdom. Thus, Jesus taught His disciples and us to pray, "Thy kingdom come. Thy will be done in earth, as it is in heaven." (Matthew 6:10)

God's Kingdom will certainly be established ultimately when Jesus returns. Then the seventh angel sounded: And there were loud voices in heaven, saying, "The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!" (Revelation 11:15). As His Church, we are called to preach the Kingdom of God, testifying to the power, love and saving grace of Christ. We are to demonstrate the reality of God's rule and reign in our lives and worship, to attract as many as possible into God's Kingdom. To this end, may I encourage us, my sisters and brothers in Christ, to consciously and fervently **Pray** for God's kingdom to come to our nations, diligently and humbly seek the Holy Spirit **Empowering** as we step into the coming year with challenges on many fronts, faithfully and passionately **Preach** the gospel of the Kingdom, in season and out of season.

The Kingdoms of the world are subject to shakings. However, God's Kingdom is an unshakable Kingdom. "Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear." (Hebrews 12:28). With this confidence in God, let us move into 2022 with hope and great anticipation of what God is about to do. May His Kingdom come, His will be done, in our lives, on earth as it is in heaven!

May 2022 be a year we witness the increase of God's Kingdom and His righteousness in all areas of life!

With love and every blessing in Christ,

The Most Revd. Datuk Melter Jiki Tais
Primate of the Province of the Anglican Church in South East Asia
Bishop of Sabah
