### NINTH SUNDAY AFTER TRINITY

Father of mankind, who gave your only-begotten Son to take upon himself the form of a servant and to be obedient even to death on a cross: give us the same mind that was in Christ Jesus that, sharing his humility, we may come to be with him in his glory; who is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

# WORK:

## A Challenge to Living your Faith?

Many people work for a living. Work is their life, and when life goes through its difficulties it is likely because of work. Work can affect their families, and their health and even be a major arena for the battle of their souls. "We spend many of our waking hours at work. We are besieged daily by hundreds of work-related thoughts and decisions that lead to good or evil." (Steven and Ung)

**Is your work  
making it difficult  
for you to live  
your faith?**

# BUSINESS NETWORKING, A CHRISTIAN DILEMMA

*"The workplace is a major arena for the battle of their souls. We spend many of our waking hours at work. We are besieged daily by hundreds of work-related thoughts and decisions that lead to good or evil."*

(Steven and Ung)

Business networking is an area of work that can conflict with Christian values. How can Christians prepare themselves as they network to do business and yet not betray their faith?

# How to overcome the fear of death

The fear of death keeps disturbing us and we try to get rid of it by trying many things, but all in vain. The only good thing that our fear of death does for us is to drive us to Jesus – our only hope. There in His presence, we will find new life. There we will gain a divine Friend who will walk with us through life, through death, and into eternal life. Discover how when we think seriously about death, we are led to think seriously about life.

# Update on Nave Restoration Works

**W**e praise and thank God for His wonderful provisions. We have recently seen a promising increase of workers on the site which has in turn, brought about an increase in work activities at both the internal and external of the main building. Arrangements are underway for more workers to come on board, which should help us better the percentage of the catch-up programme work. While the contractor is behind schedule, the contractor is making effort to catch-up with the Master Schedule.

Works on the external scaffolding are nearing completion. It has reached the South side of the building and will be making its way to the East Side of the building within 2 weeks.

The removal of paint at the East Side external walls have commenced and the removal of hollow plaster will take place this coming week. Special care was taken to remove the different layers of paint from the emblems at the North Side Balconies of the building. This will help us to ascertain the original colour of the emblems as well as to preserve its artwork.

The sub-contractor that was invited to quote for the erection of the scaffold of the Bell Tower has withdrawn its bid. The contractor will continue to invite others to quote for the works, and we hope and pray that the contractor will be able to keep to the August schedule for the erection of the scaffold at the Bell Tower to start.

Inside the Nave, removal of the areas of hollow plaster at the South and West side are nearing completion. Works on the North Side will commence this coming week. Rising damp treatment, biocide as well as salt treatment will take place at the North Side once the plasters are removed. Paint removal is in progress at areas that do not need plaster removal.

Please continue to pray for God's favour over the restoration – for skilled workers to be available, a safe and peaceful environment for the work to continue, minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. “Unless the LORD builds the house, the builders labour in vain” applies very much to the restoration of the Cathedral Nave.
