10/11 SEPTEMBER 2022

COLLECT THIRTEENTH SUNDAY AFTER TRINITY

Lord God, the protector of all who trust in you, without whom nothing is strong, nothing is holy: increase and multiply upon us your mercy, that you being our ruler and guide, we may so pass through things temporal that we finally lose not the things eternal. Grant this, heavenly Father, for the sake of Jesus Christ our Lord. Amen.

THE WORLD

Ukraine

Pray for the continued protection of the Zaporizhzhia nuclear plant in Ukraine as ongoing shelling poses a constant threat to nuclear security. A nuclear disaster will have disastrous consequences on a global scale. Pray for urgent action by world leaders to mitigate climate change which has led to extreme weather conditions such as typhoons and heat waves. Pray for the people in China's Sichuan Province to be strong and resilient in the aftermath of the recent earthquake which had taken lives and caused massive destruction to property.

SINGAPORE

Pray that our government will have divine wisdom and foresight to tackle the many challenges on the home front as well as in the international arena. Pray for Deputy Prime Minister Lawrence Wong as he prepares for the leadership transition in Singapore and works towards establishing good international relations with global partners.

DIOCESE

What is our vision of God that inspires, encourages, motivates, challenges, guides and draws us to God and his mission?

This will be our focus in the new sermon series ...

This Irish hymn is a favourite and a source of inspiration for many of us. It originated from an ancient Irish folk song with words from a prayer by St Patrick, the pioneer missionary to Ireland for 30 years in the 5th Century. It was translated into English from the Celtic language early in the 1900s and it became the hymn as we know it today. The words in the hymn allude to Jer 9:23-24 and 1 Cor 1:26-31.

Synopsis

The Book of Revelation has both terrified and fascinated Christians throughout church history. Revelation is a powerful letter which reiterates that Christ has already won. We continue to praise and thank God for the consistent number of workers on the site. Most of the workers are now deployed externally. The plaster removal at the North side is nearing completion. We can expect similar works to continue on the South side next week. Bricks surface preparations have commenced at the East and North

sides, where the plaster has been removed. The consultants will carry out inspections to these areas before giving the go ahead for plastering works to proceed.

We seek prayers for the availability of all materials needed for the ongoing works and that any "hold ups" that are causing the delay in the delivery will be resolved at the soonest possible time.

The external scaffolding at the South side is now connected to the East side. We now have scaffolds all around the Main building, except for the bell tower. The erection of the scaffold at the bell tower will commence this week and is expected to take two full months to complete. More scaffolding works will also take place at the internal of the main building (Nave area) as well as extending upwards the existing external scaffolds to wrap around the spires at the transepts. This will take place in September.

Works inside the Nave have been slow as the workers are presently deployed externally. They are redeployed to carry out internal works only during wet weather. Removal of plaster at the columns at West Porch are near completion. Biocide treatment as well as salt treatment will take place at these areas within the week.

Please continue to pray for God's favour over the restoration – for skilled workers to be available, a safe and peaceful environment for the work to continue, minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. "Unless the LORD builds the house, the builders labour in vain" applies very much to the restoration of the Cathedral Nave.
