PRAYER HIGHLIGHTS

THE WORLD

North Korea recently fired a ballistic missile further than ever before over Japan in violation of UN Security Council resolutions. This has led to concerns over the safety of the Japanese people, over international flights and maritime travel. The missile launch also triggered international reaction, causing tensions between the major superpowers. Pray for wisdom to prevail in this very delicate and volatile situation; for the resumption of talks among key parties and for peace to reign in the region.

SINGAPORE

Pray for divine guidance as Health Minister Ong Ye Kung and his team from MOH set out to reform Singapore's healthcare system to enable citizens to take charge of their own healthcare. Pray that the measures to be introduced in the second half of next year will be effective in tackling the challenges of an ageing population and the management of chronic diseases. Pray also for Minister for National Development, Desmond Lee and his team that they will have divine wisdom to make right and timely policy adjustments to stabilize the property market and keep public housing affordable.

DIOCESE

Chapel of the Holy Spirit

Pray for Revd Joseph You and his team to flow with God's heart and plans for Chapel of the Holy Spirit. Pray that the members will grow deep in their prayer life and they will encounter God in their worship services every Sunday. Pray also for a fresh wind of the Holy Spirit to bring renewal and revival to the church.

Chapel of Christ the King (CCK)

Pray for Revd Bertram Cheong and his team as they shepherd the flock in CCK; for divine provision of funds for their building project. Pray for the revitalizing of discipleship in the life of the church, for unflagging zeal in evangelism especially to students of St Margaret's Primary School.

CATHEDRAL

Baptism (8 Oct, Sat 4 pm Service)

Pray for our 37 brothers and sisters who will be baptized (or have been baptized), that they will continue to grow strong in faith, fervent in prayer and deeply rooted in the word of God; that their desire will be for God and the things of God. Pray that they will know God's presence and the enabling of the Holy Spirit in their daily lives.

Marriage Preparation Course

(29 Sept – 3 Nov 2022)

Pray that the couples attending the Marriage Preparation Course (MPC) will desire to make God's design for marriage their goal; that they will discover the right attitudes, values and habits needed to build healthy and strong marriages that last a lifetime. Pray for our support couples, that they will have the Lord's strength and wisdom to guide and mentor their MPC couples during the course and throughout their mentoring journey.

We call on everyone in the Cathedral Family to daily join us in prayer and deep intercession to God for the ongoing Nave Restoration works. Thanks be to God.

Heavenly Father, we continue to thank You for Your faithful love for us that never ends and Your mercy which never ceases. They are new every morning; great is Your faithfulness.

Lord, You are God. You created the heavens and earth and put everything in place. You made the world to be lived in, not to be a place of empty chaos. You are our Lord and there is no other. Thank You, Father, for being a wall of fire and protection around our congregations, families and those involved in the restoration of our Cathedral Nave building. We seek for God's Kingdom to come and God's will to be done on earth as it is in heaven, for the Cathedral Nave restoration project. We know that You will make our thoughts agreeable to Your will, so that the plans for this project may be established and succeed.

We continue to Praise and Thank You, Father in Heaven, for the progress that has been made in the past weeks. We thank You for blessing us with a steady stream of competent general workers and skilled labourers, who through their weathered hands and perspired foreheads, show their dedication to the work involved. We have commenced plastering works at the East Side. Plastering works to the North Side will commence next week. Bricks surface preparations towards the West Porch are in progress and it will be followed shortly by the plastering works. We continue to seek You, Lord, for the availability of all materials needed for the ongoing works.

The erection of the scaffold at the bell tower is now at its $\frac{3}{4}$ mark. It should reach the top within the next 2 weeks. We pray, Lord, for the safety of the scaffolders as they complete the scaffolding to the bell tower. Scaffolding works will commence inside the Nave in October.

Trenching works inside the Nave has commenced

Above right:

and we pray that the trenches will be ready by the end of October, so that the laying of the electrical cables can commence.

We lift up the main contractor, Shanghai Chong Kee Furniture & Construction Pte Ltd, and all sub-contractors, vendors and consultants, and all their staff and workers, unto You. Protect them, Lord, from the evils of rushing, complacency, and distraction that may cause unnecessary injuries. Give them the ability to know the dangers before them, and the alertness and skills to avoid them.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. “Unless the LORD builds the house, the builders labour in vain” applies very much to the restoration of the Cathedral Nave.

In Jesus Name, we pray. Amen.
