PRAYER HIGHLIGHTS

THE WORLD

In the past week, Russia has destroyed almost a third of Ukraine's power stations causing massive blackouts across the country and knocking out water supplies. These attacks would leave Ukrainians with no heat and power as winter sets in. Pray for the cessation of such devastating attacks on civilian targets; for the protection of Ukraine's power and water resources and for timely humanitarian aid to reach the affected people.

SINGAPORE

Pray for our government as they continue to monitor the COVID-19 XBB wave and its impact on our healthcare system; for timely and appropriate action to be taken should the need arise to protect our healthcare personnel and vulnerable groups. Pray also for good bilateral relations with Australia as both countries work closer together under the Singapore-Australia Green Economy Agreement.

DIOCESE

Retired clergy and deaconesses

Pray for our retired clergy and deaconesses, that God will refresh them in this new season of their lives and fill them with thanksgiving as they recount His goodness in their lives. Pray that they will be renewed and re-envisioned as they rest in God and that strengthened by His grace, they will be refitted for His mighty purposes.

Deanery of Indonesia

Pray for the Dean of Indonesia, Revd Dr Timothy Chong, priests, staff and leaders of the churches and ministries in the Deanery, that God will pour out His Spirit upon each one of them and empower them to lead and shepherd His flock; that they will serve Him and His people with wisdom, courage and dedication, fulfill God's destiny for Indonesia and glorify His Name.

CATHEDRAL

Pulpit Ministry

Pray that God will anoint our preachers in their sermon preparation and in the preaching of His word. Pray that God's word like good seed will be planted in our hearts and bring forth the fruit of unity, spiritual maturity and godly relationships in our communal life.

Children Ministry

Thank God for dedicated teachers who are godly role models for our children. Pray that God will enable them to be His channels of truth and love as they invest in the lives of our children. Pray also for God's provision of teacher aides to strongly support our teachers

in the spiritual care and nurture of our children.

SEPTEMBER 2022

We call on everyone in the Cathedral Family to daily join us in prayer and deep intercession to God for the ongoing Nave Restoration works. Thanks be to God.

Heavenly Father, we continue to thank You for Your faithful love for us that never ends and Your mercy which never ceases. They are new every morning; great is Your faithfulness.

Lord, You are God. You created the heavens and earth and put everything in place. You made the world to be lived in, not to be a place of empty chaos. You are our Lord and there is no

other. Thank You, Father, for being a wall of fire and protection around our congregations, families and those involved in the restoration of our Cathedral Nave building. We seek for God's Kingdom to come and God's will to be done on earth as it is in heaven, for the Cathedral Nave restoration project. We know that You will make our thoughts agreeable to Your will, so that the plans for this project may be established and succeed.

We continue to Praise and Thank You, Father in Heaven, for the progress that has been made in the past weeks. We thank You for blessing us with a steady stream of competent general workers and skilled labourers, who through their weathered hands and perspired foreheads, show their dedication to the work involved. We have commenced plastering works at the East Side. Plastering works to the North Side will commence next week. Bricks surface preparations towards the West Porch are in progress and it will be followed shortly by the plastering works. We continue to seek You, Lord, for the availability of all materials needed for the ongoing works.

The erection of the scaffold at the bell tower is now at its ¾ mark. It should reach the top within the next 2 weeks. We pray, Lord, for the safety of the scaffolders as they complete the scaffolding to the bell tower. Scaffolding works will commence inside the Nave in October.

Trenching works inside the Nave has commenced

Above right: Scaffolding reaching the top

Right: Brick replacement

and we pray that the trenches will be ready by the end of October, so that the laying of the electrical cables can commence.

We lift up the main contractor, Shanghai Chong Kee Furniture & Construction Pte Ltd, and all subcontractors, vendors and consultants, and all their staff and workers, unto You. Protect them, Lord, from the evils of rushing, complacency, and distraction that may cause unnecessary injuries. Give them the ability to know the dangers before them, and the alertness and skills to avoid them.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. "Unless the LORD builds the house, the builders labour in vain" applies very much to the restoration of the Cathedral Nave.

In Jesus Name, we pray. Amen.
