# Missions & Evangelism

The term 'missions' has generally been used to refer to the specific work of the church and agencies in the task of reaching people for Christ by crossing cultural boundaries; whereas evangelism refers to the spreading of the Christian gospel by preaching or through personal witness. Essentially, both missions and evangelism are part of our Lord's call for the church to fulfil His Great Commission in Matthew 28:19-20. Jesus commanded us to go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that He had commanded us (Matt 28:19-20).

The church exists for one purpose and that is to make Jesus Christ known as the Lord and Saviour to the world. Hence, the aim of missions and evangelism is to make obedient disciples of Jesus Christ who will be incorporated into the church through

baptism (Matt 28:19). Its activities involve being witnesses for Christ (Acts 1:8), either through preaching the gospel (Mark 16:15), proclaiming repentance and forgiveness of sins (Luke 24:47), or through the works of signs and wonders as enabled by the Holy Spirit (Acts 2:43).

As believers, we are to engage in missions and evangelism so that God's will of salvation for mankind throughout the whole world may be fulfilled and then the end will come (Matt 24:14). In this sense, missions and evangelism are not primary activities of the church to serve her members, but a means for the church to serve God. To engage in missions and evangelism is to participate in the works of God in loving the people in our community and in our world. Because God is the fountain of love—we are called to love one another (John 13:34).

## Are we actively engaged in missions and evangelism?

A team comprising of 8 adults and 1 child from St. Andrew's Cathedral, are currently ministering at PKH Cambodia, till 10 November. They are conducting a worship camp for the youths of PKH Chbarmon, a children's evangelistic programme for the PKH

English School, ministering to the youths at PKH Aoral, and organising an evening event for the villagers at Trang.

Let's unite our hearts to pray for God's favour upon the mission, and for the Holy Spirit to work in the hearts of the Cambodian youths, children and villagers as the team ministers and share the love of Christ.

We rejoice with **Revd Kelvin Koo** who will be ordained to the Priesthood of the Archdeaconry of Singapore on 11 November. Since being ordained as a deacon, he has been instrumental in leading and supporting the needs of both the Westside Anglican Church (an extension centre of St Andrew's Cathedral) and Jurong Anglican Church (a church plant initiative by St Andrew's Cathedral - Mandarin). His desire is for all members under his care to be true disciples of Jesus. We pray for God's anointing, wisdom and guidance upon him as he heeds God's call to serve Him as a priest.

But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth. Acts 1:8

A 40-week personal and intentional journey of intimacy with Jesus, **starting 28 February 2023**, with supporting mentors and guidance from our pastors and lay leaders.

**Brina Chua**  
**JOP 2022**

Towards the end of my final year in poly, I came to know about the Cathedral's Journey of Purpose 1-year internship programme.

**As I was praying and talking to those around me, the Lord placed on my heart a burden for the church I grew up in, and a desire to know and be involved in the ministries of the Cathedral.**

Throughout my time on this journey, the Lord has slowly but surely revealed more of Himself to me, through different speakers on a diverse range of topics, and this has broadened my views and changed how I now see God. Questions and contemplative thoughts I've had like "Is mankind's salvation truly the sole reason Christ died on the cross or is there more to it?" and "How do I truly know I'm living a life in the Spirit?" have been tackled in topical sessions from Worldviews and the Holy Spirit to Evolution and Worship as a Lifestyle.

Some of the activities we've taken part in have really challenged and stretched me as a person as well. From reaching out to the elderly to helping out at Alpha, I've been put out of my comfort zone, yet I've seen God work in each and every situation.

If you're struggling and wondering what's next in life for you, I really encourage you to take this step of faith. Give this 1-year to grow in intimacy with the Lord, to figure out where He's leading you and you'll be awed and amazed at what He'll do in and through you.

More information can be found at **JOURNEY OF PURPOSE** or at the **Q&A session on 7 January 2023, 10.30am - 12noon. Sign up [here](#).**

**T**hank you for your prayers. We do need them. Please continue to pray for the Restoration Works on a regular basis.

We Praise and Thank God for the progress we have made thus far. We are now almost halfway through the restoration works and are expecting some works to pick up now that the external scaffold around the bell tower has been completed. A separate team of workers will be assigned to carry out the repair works around the outside of the tower. Please pray for good weather and for the workers' safety as they work at heights.

An initial inspection was done together with our consultants of the bell tower recently. There will be quite a bit of repairs that needs to be carried out at the tower. Some areas are within small spaces and in between gaps that will make the repairs difficult. Our focus will be on ensuring that the repairs carried out will help to minimise maintenance works that will be required at the tower in the distant future. Please pray for wisdom and knowledge for the technical team as they seek to find solutions to various issues, to restore or replace damaged motifs, eg. fleur de lis finial and others, at the various spires around the building.

Plastering works to the North side of the building has commenced, with some areas completed. Bricks surface preparations at the South side are in progress and it should be followed shortly by the plastering works. Final skim coat to the East side should also commence soon.

Trenching works inside the nave is nearing completion. It will be followed by the placements of precast slabs. Once completed, we will be able to commence the electrical cabling works, air-con piping works and AV cabling works.

Please continue to pray for the Main Contractor, Shanghai Chong Kee and all its staff and workers as well as our consultants as they continue to work on completing the restoration works well. Pray for our Good Lord to be alongside them, guiding them

**Above:** Bell Tower Scaffolding Completed

**Above right:** Trenching works

**Right:** The St Andrew's Cross at the top of the steeple

as they face different challenges along the way and showing them how He wants it done. While we are working closely with the Contractor's senior management to minimise the completion delay, it is currently difficult to estimate the expected completion date, and we may have to continue holding our worship services, weddings and other events in the CNS, Pavilion and other alternative venues for at least part of 2023.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. *“Unless the LORD builds the house, the builders labour in vain”* applies very much to the restoration of the Cathedral Nave. *In Jesus Name, we pray. Amen.*
