PRAYER HIGHLIGHTS

THE WORLD

According to the Global Risks Report released by the World Economic Forum, the world will see “many more price hikes, cost-of-living concerns as well as export bans”. The months ahead will be marked by “economic warfare, resource rivalries, the end of the low interest rate era, de-globalisation, a period of low investment and growth and other challenges”. These challenges will “converge to bring about a unique, uncertain and turbulent decade”. Pray that world leaders will firmly resolve to work closely together in an interdependent world and not use economic policies “to build self-sufficiency and sovereignty from rival powers”. Pray that in the midst of this growing darkness, the church of Christ will arise and shine, that many will come to know the glorious hope that only Christ can offer to our broken world.

SINGAPORE

Thank God for a proactive government that is continually looking ahead for ways to keep Singapore competitive and relevant in very challenging and uncertain times. Pray for divine wisdom to tackle the many complex and sensitive global as well as national issues. Pray for God’s providence to keep Singapore thriving, cohesive and secure, that we may fulfil His destiny for our nation.

DIOCESE

Yishun Christian Church

Pray for Revd Daniel Teo, priests and staff of the English and Chinese congregations as

they shepherd the flock in Yishun Christian Church. Pray for members to grow as committed disciples of Christ, for leaders to be raised up, especially among the younger generation. Pray also for the church to be a living and vibrant witness to the surrounding communities.

Retired clergy

Pray that the Lord will renew and refresh our retired clergy and deaconesses, that they may continue to serve Him in new capacities, bearing much fruit in the Lord’s work, in this season of their lives.

SATURDAY LIFE Quarterly gathering for the Cathedral's young adults and their friends where we talk about LIFE and share LIFE together.

hey friend,
are you chasing
after the wind?

‘Study hard, graduate, get a good job, build a career, get married, start a family, and then...’ Is this the Singapore dream, or is there more to pursue in life? Are we – in the words of the writer in the book of Ecclesiastes – “chasing after the wind”, or seeking something more meaningful in life?

Join Darius Lee as we engage in an honest and intimate conversation, as we journey together in a world where the interaction between work, faith and life can sometimes be unpleasant, even challenging.

sat, 11 february | 6.30pm - 9.45pm

About the Speaker:

Darius Lee is a lawyer by training. He holds a Masters of International Law and Human Rights from the Hebrew University of Jerusalem. He has written about his journey of discipleship in his book, Like a Fire in My Bones: A Journey of Discipleship.

Dinner will be served from 6.30pm to 7.30pm. Registration is required.

Sharing the Love of Christ with the workers during this Christmas Season.

Progress has been slow in December. The workers need materials that have yet to arrive, such as lime plaster. We are in discussion with the various suppliers and the main contractor, and we hope to resolve the delay in the supply of materials soon. The workers affected by the shortage of materials are presently working at the bell tower.

There are 32 levels to the bell tower. The workers have completed 90% of the paint removal from Levels 12 to 32, and have removed all the hollow sections of plaster found at these levels. Initial investigations carried out by the Cathedral's technical team after the removal of the hollow sections indicated that almost all the cement plasters found at Levels 18 to 24 may need to be removed. A closer study of these areas will be carried out in the first week of January 2023 to confirm the initial findings. If the initial findings are correct, we can expect a delay in the removal of the bell tower scaffolding that was earlier scheduled for end January 2023.

Please continue to pray for the smooth supply of lime plaster materials, the scaffold materials needed for the remaining parts of the Nave, the safety of all workers and the technical team, especially when working at heights and for good weather, so that all works can continue smoothly and safely.

We continue to Praise and Thank God for

the progress we have made thus far in the other areas. The sub-contractor for the reinforced concrete works to the trenches will commence works in January, and we have acquired the services of a painting sub-contractor. Once we have the lime plaster materials to apply onto the "repaired" walls, after the completion of the final skim coat to the external walls, painting to these walls will commence shortly.

We wish to thank our members, from both the English and the Mandarin congregations, who have stepped forward to share the Love of Christ with the workers over the Christmas season. Working together with the SAC Missions team, the workers were given a backpack filled with necessities and goodies, a sumptuous Nasi Briyani Lunch and a Love gift. The joy expressed by the workers, as seen from their faces and appreciation shown were indeed a testimony of God's Love and Hope. We Praise and Thank God.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. *"Unless the LORD builds the house, the builders labour in vain"* applies very much to the restoration of the Cathedral Nave. In Jesus Name, we pray. Amen.
