PRAYER HIGHLIGHTS

THE WORLD

Scientists in America are saying that “threats of nuclear war, disease, and climate volatility have been exacerbated by Russia’s invasion of Ukraine, putting humanity at greater risk of annihilation.” (CNA news). Pray for God’s merciful intervention to ease increasing tensions in the eleven-month war and for a peaceful resolution to this global crisis. Pray for a clean government and for political stability to be restored in Ukraine after the dismissal or resignation of key national leaders. Pray also for the safety and well-being of people in countries which are experiencing extreme cold winter conditions.

SINGAPORE

Pray for Minister for Culture, Community and Youth Edwin Tong and his team as they endeavour to bring Singaporeans together through the arts, culture and heritage, so as to foster closeness and a culture of care for one another. Pray that their work with communities will create opportunities for developing strong friendships and mutual trust which would enhance the resilience of our society.

DIOCESE

Deanery of Vietnam

Pray for the Dean of Vietnam Revd Jonathan Wong, priest-in-charge of Church of Christ Our Hope Revd Nguyen Hong Chi, priest-in-charge of Church of the True Light Revd Jacob Vu Hong Thai, that God grant them wisdom and strength to shepherd His people, that they may all reach unity in the faith and in

the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ (Eph. 4:13). Pray also for Mdm Rebecca Ngoc, Principal of ABBA English Centre, that under her able leadership, this Centre will be a channel of blessing to the communities in Vietnam.

Theological Education Board

Pray for the Warden of St Peter’s Hall Revd Dr Joshua Sudharman, Associate Wardens Canon Huang Ao-you, Revd William Chee, Revd Dr Jeremy Joe-Tan and Ds June Tan, as they support our Anglican students through their theological training in Trinity Theological College.

SATURDAY LIFE Quarterly gathering for the Cathedral's young adults and their friends where we talk about LIFE and share LIFE together.

hey friend,
are you chasing
after the wind?

'Study hard, graduate, get a good job, build a career, get married, start a family, and then...' Is this the Singapore dream, or is there more to pursue in life? Are we – in the words of the writer in the book of Ecclesiastes – “chasing after the wind”, or seeking something more meaningful in life?

Join Darius Lee as we engage in an honest and intimate conversation, as we journey together in a world where the interaction between work, faith and life can sometimes be unpleasant, even challenging.

sat, 11 february | 6.30pm - 9.45pm

About the Speaker:

Darius Lee is a lawyer by training. He holds a Masters of International Law and Human Rights from the Hebrew University of Jerusalem. He has written about his journey of discipleship in his book, Like a Fire in My Bones: A Journey of Discipleship.

Sharing the Love of Christ with the workers during this Christmas Season.

Progress has been slow in December. The workers need materials that have yet to arrive, such as lime plaster. We are in discussion with the various suppliers and the main contractor, and we hope to resolve the delay in the supply of materials soon. The workers affected by the shortage of materials are presently working at the bell tower.

There are 32 levels to the bell tower. The workers have completed 90% of the paint removal from Levels 12 to 32, and have removed all the hollow sections of plaster found at these levels. Initial investigations carried out by the Cathedral's technical team after the removal of the hollow sections indicated that almost all the cement plasters found at Levels 18 to 24 may need to be removed. A closer study of these areas will be carried out in the first week of January 2023 to confirm the initial findings. If the initial findings are correct, we can expect a delay in the removal of the bell tower scaffolding that was earlier scheduled for end January 2023.

Please continue to pray for the smooth supply of lime plaster materials, the scaffold materials needed for the remaining parts of the Nave, the safety of all workers and the technical team, especially when working at heights and for good weather, so that all works can continue smoothly and safely.

We continue to Praise and Thank God for

the progress we have made thus far in the other areas. The sub-contractor for the reinforced concrete works to the trenches will commence works in January, and we have acquired the services of a painting sub-contractor. Once we have the lime plaster materials to apply onto the "repaired" walls, after the completion of the final skim coat to the external walls, painting to these walls will commence shortly.

We wish to thank our members, from both the English and the Mandarin congregations, who have stepped forward to share the Love of Christ with the workers over the Christmas season. Working together with the SAC Missions team, the workers were given a backpack filled with necessities and goodies, a sumptuous Nasi Briyani Lunch and a Love gift. The joy expressed by the workers, as seen from their faces and appreciation shown were indeed a testimony of God's Love and Hope. We Praise and Thank God.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. *"Unless the LORD builds the house, the builders labour in vain"* applies very much to the restoration of the Cathedral Nave. In Jesus Name, we pray. Amen.
