# PRAYER HIGHLIGHTS

## THE WORLD

Pray for peace and democratic rule to be restored in Myanmar; for the release of political prisoners and for the planned elections in August to be carried out fairly and justly. Pray for a breakthrough in talks between international leaders and the military junta, that these will yield positive results and bring an end to the violence and the suffering of the people. Pray for the church to shine in the midst of this spiritual darkness and for a fresh wind of Holy Spirit to sweep across this land.

## SINGAPORE

Pray for the Ministerial Committee on Ageing, helmed by Health Minister Ong Ye Kung, that God grant the committee wisdom to promote successful ageing in Singapore. Pray that the Live Well, Age Well program with its three thrusts of care, contribution and connectedness will enable seniors to take charge of their health through preventive measures, contribute their knowledge and expertise in meaningful ways and stay connected with the society and their loved ones. Pray for the strengthening of support systems, ground-up initiatives, collaborations and the active participation of all, to enable our seniors to age in communities rather than in institutions.

## DIOCESE

### All Saints' Church

Pray for good response to the church's Youth Alpha which starts next month and for a fruitful harvest of souls through this

evangelistic initiative. Pray for God's abundant provision and blessings upon the upcoming senior care ministry at Bedok South. Pray for strong community bonds to be forged and for members to be spiritually renewed during the church camp in June.

### Chapel of Christ the Redeemer

Pray for Vicar, Revd Victor Teo, priests, pastoral and administrative staff of CCR as they shepherd the flock in this new year; for smooth leadership transition and for God's love to knit this community together. Pray that they will be bold and vibrant in their witness to the communities around the church.

## CATHEDRAL

### Metamorphosis (beginning 5 Feb 2023)

Pray that through this two-year program, our youths (13-15 years old) will be empowered by the Holy Spirit to build strong biblical foundations and to develop deep spiritual relationships within faith communities, that they may grow into disciples who are passionately committed to Christ.

### Alpha@Cathedral

#### (8 Feb – 3 May 2023, 7-9 pm)

Thank God for the many who have registered for this course and pray that God will bring in many more; for the hearts of participants to be ready to receive God's word through the videos and small group discussions. Pray for the Holy Spirit to anoint our group facilitators and for the participants to be enriched by the small group discussions.

# Next<sup>+</sup>GEN

MINISTRY

## YOUTH MINISTRY

We pray that this brief write up of the NextGen ministry may give you a glimpse of what God is doing among our young people in SAC and help you as you support this ministry in prayer.

To find out more, please visit our website <https://cathedral.org.sg/nextgen>.

We have just launched our vision statement which is to **“Believe. Belong. Become”**.

**BELIEVE** – We are a chosen generation, a royal priesthood, a holy nation, God’s own possession, called to proclaim the excellencies of God.

**BELONG** – We are Cathedral Youths, a gospel-centred community that serves together.

**BECOME** – We are called to be disciple-making disciples.

Our youth service was first launched in December 2021 as a space for youths to gather regularly for corporate worship. What is unique about this service is that it is run entirely by the youths and we often have a pre-service activity to engage them as well. While the service is contemporary in nature, there are still elements of our Anglican liturgy that are incorporated into the service. The theme of our pulpit series for 2023 is “Divine Providence” where we will be covering the books of Romans & Daniel. The youth cell groups will also be studying these 2 books to dive deeper into understanding God’s plan for salvation and for us as a people living in a fallen world.

On top of these, we will also be speaking on hot topics such as relationships and mental health at our service!

We also recently launched Metamorphosis, a 2-year curriculum for Secondary 1s & 2s that aims to provide youths with strong biblical foundations and to be a platform where they can find spiritual communities to journey with. At Metamorphosis, the youths will watch a short 15 minute video teaching before they break into small groups for a time of discussion. The small group experience is a precious time for the youths as it helps them to internalise what they have learned and functions as a gradual transition into the cell group model. We hope that their small groups will become the spiritual community that journeys with them and one which they can attend the youth service with as well.

Metamorphosis

As a ministry, we will also be kickstarting a discipleship programme in collaboration with Journey of Purpose. 3 youths will be coming onboard this programme and spend the next few months with us. Do keep us all in prayer and especially for these youths to grow deeper in love for Christ over the next few months!

## PRAYER REQUESTS

### Youths

Pray for God's Word to take root in the hearts of the youths as they go through the books of Romans & Daniel at the Youth Service. Pray that the youths will see the wonders of God's plan for salvation & His will for their lives.

Pray for God to speak into the lives of the teens attending Metamorphosis and for them to grow closer to God. Pray that they will be able to bond with

one another and for the group facilitators to be able to actively engage with the teens.

### Young Adults

Pray for the upcoming Saturday Life (a quarterly event for young adults) on 11 Feb and for the attendees to be encouraged and challenged by the message concerning the pursuit in life. Pray for the guest speaker Mr Darius Lee to be able to engage the young adults meaningfully.

The NextGen Ministry brings together the Children Ministry, Youth Ministry and Young Adult Ministry with the aim of building up every child towards spiritual maturity as they grow from a toddler into adulthood.

**SATURDAY LIFE** Quarterly gathering for the Cathedral's young adults and their friends where we talk about LIFE and share LIFE together.

hey friend,  
are you chasing  
after the wind?

'Study hard, graduate, get a good job, build a career, get married, start a family, and then...' Is this the Singapore dream, or is there more to pursue in life? Are we – in the words of the writer in the book of Ecclesiastes – “chasing after the wind”, or seeking something more meaningful in life?

Join Darius Lee as we engage in an honest and intimate conversation, as we journey together in a world where the interaction between work, faith and life can sometimes be unpleasant, even challenging.

sat, 11 february | 6.30pm - 9.45pm

About the Speaker:

Darius Lee is a lawyer by training. He holds a Masters of International Law and Human Rights from the Hebrew University of Jerusalem. He has written about his journey of discipleship in his book, Like a Fire in My Bones: A Journey of Discipleship.

Dinner will be served from 6.30pm to 7.30pm. Registration is required.

Works on the underground trenches (which will carry the electrical wiring and air-conditioning ducts for the Nave) began in late December 2022. Almost 90% of the trenches are presently cast in concrete. We hope to complete the concrete works on the trenches by the end of January 2023. With this, the M&E contractors will be able to commence work in February, to lay the trunking needed for the Electrical, AV, IT and Air-conditioning works.

Some of the materials needed (e.g., lime plaster) have yet to arrive. Discussions are still ongoing with the suppliers and the contractor, and we hope to quickly resolve all outstanding issues so that the works can move forward smoothly.

A closer study of the external walls of the bell tower was carried out during the first week of January 2023. Cement plaster was found between levels 16 to 24, and a thin layer of cement skim coat on the other levels. These layers of cement plaster will need to be removed before the re-plastering with lime plaster can take place.

Removal of plaster and brick repair works on the internal walls and at West Porch are still

*Casting of reinforced concrete at trenches*

ongoing but with fewer workers, as most of the workers are deployed externally to try to finish all external works as quickly as possible.

Painting will soon commence at levels 2 and 3 internally at South Transept.

We seek your continuing prayers for the smooth supply of lime plaster materials and the scaffold materials needed for the remaining parts of the Nave, for the safety of all workers and the technical team, especially when working at heights, and for good weather, so as all works can continue smoothly and safely.

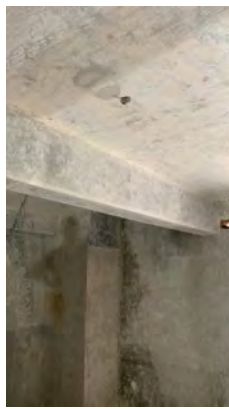

With Chinese New Year in January, we want to thank members, both from the English and the Mandarin congregations, who have stepped forward to share Christ's love with the workers. Again, together with the SAC Missions Team, the workers were given their favourite Nasi Briyani Lunch and Love gifts. We Praise and Thank God for these beautiful moments where we can share His Love and Joy with the workers.

We continue to pray for Your favour Lord, over the restoration – for skilled workers to be available, for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources, and wisdom and practical abilities for the project teams to give of their best to this work. “Unless the LORD builds the house, the builders labour in vain” applies very much to the restoration of the Cathedral Nave. In Jesus Name, we pray. Amen.
