### FOURTH SUNDAY OF LENT

Almighty Father, whose Son was revealed in majesty before he suffered death upon the cross: give us faith to perceive his glory, that we may be strengthened to suffer with him and be changed into his likeness, from glory to glory; who is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

# PRAYER HIGHLIGHTS

## THE WORLD

Pray that world leaders will remain vigilant in the face of threats to global peace, especially in regions where there are growing contentions over territorial and maritime claims. Pray that the formation of military alliances to further defence and security cooperation, will not cause further fragmentation and exacerbate political divisions in the world. Pray for greater global cooperation and collaborations in scientific research, economic development and humanitarian assistance to improve the lives and livelihoods of the world's population.

## SINGAPORE

Pray that Singapore will continue to forge strong partnerships with the major powers and all countries in the region, remain relevant as a key global hub for trade, finance, talent and ideas so as to foster peace and stability in our region. Pray that our 4G leaders will have the foresight, wisdom and courage to move Singapore forward in an increasingly multipolar world.

## DIOCESE

### St James' Church

Pray that St James' Church may grow to be a community that loves and serves one another; that it will be a church in which authentic spiritual friendships develop; where people with special needs feel belonged and where members engage in community life with their distinctive gifts. Pray also for the preschool chaplaincy to powerfully minister to the students, teachers and families of

students from St. James' Church Kindergartens in the Leedon & Gilstead campuses.

### St John's Chapel

Pray for God's continued favour and blessing on the chaplaincy work in St Margaret's Secondary School and for good, capable pastoral staff to join the team in St John's Chapel.

## CATHEDRAL

### Adopt A Block in the Community (ABC)

**(Outing to Gardens by the Bay for the Bukit Merah View residents on 25 March 2023)**

Pray for good weather and safety for all the residents and volunteers and that the residents will have a good time of interaction with the volunteers. Pray that the friendships they have established will be further strengthened; that as the residents enjoy the beautiful flower display, they will also marvel at the Creator and the beauty of the world God has created.

### Boys' Brigade

Thank God for the 38 boys who are in Gan Eng Seng Primary School's Boys' Brigade (BB), for the teachers, officers and volunteers who serve in this BB and for the opportunity to share Christian values through physical activity as well as weekly devotions. Pray that God will open the hearts of the boys to Him and grant to the officers and volunteers wisdom as they lead and build in the boys, the habits of reverence, obedience, discipline and self-respect.

# LAST ENCOUNTERS before the Cross

**IN THIS SEASON OF LENT,** we are focusing on Jesus in his last days before the cross. In his last eventful days, Jesus encountered people who treated him, reacted to him and responded to him in different ways. Who were these people? What thoughts went through their minds in their encounter with Christ? What impressions did they have of Christ? What impressions do they leave with us as we observe their encounters with Christ? What do these people reveal to us about Christ?

## Senior Members' Fellowship Talk

The Christian gospel has relevance to all people including people with dementia.

In our fast growing ageing population, the potential of having more people  
- young and old - with dementia has never been higher.

How can we become dementia-friendly Christians that forms a community  
that would be welcoming and inclusive?

We praise and thank God for the arrival of the lime plaster materials. The removal of plaster and brick repair works at the Bell Tower is nearing completion, and plastering works to the repaired wall surfaces using the lime plaster will now take place in the coming weeks. Priority will be given to the Bell Tower as we hope to finish the works to the Bell Tower in the earliest possible time. A small team of plasterers will concurrently work on the external walls of the Transepts where the walls are ready to be plastered and painted. Removal of plaster and brick repair works at the West Porch is nearing completion, and we hope to have additional plasterers coming onsite in the coming weeks to work on the completed areas. Painting works to the offices on Levels 2 and 3 of the South Transept should be completed soon, after which the painters will move on to paint the external areas where the walls are plastered and ready.

We are also looking into the rainwater discharge system at the Bell Tower. Whenever there is heavy rainfall, the rainwater overflows into the belfry and into the ringing chamber. We hope to address the issue by creating more discharge outlets at the belfry level, where the rainwater is collected and dispersed through the existing discharge system. We hope to increase the flow rate of the discharge water, as well as minimise the collection of rainwater at the four corners of the Bell Tower.

Within the Nave, the trenches are ready and the M&E works are in progress. The air-conditioning pipes are presently being laid. Once completed, the electrical works will commence together with the laying of cables for the AV and IT systems.

The Cathedral team continues to work closely with the main contractor on site operation matters. As we work towards the completion of the restoration project, we continue to pray for the timely provision of the scaffold materials

needed for the rest of the Nave; for the safety of all workers and the technical team, especially when working at heights; and for good weather, so as all works can continue smoothly and safely.

We also continue to pray for the Lord's favour over the restoration: for skilled workers to be available; for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and for wisdom and practical abilities for the project teams to give of their best to this work.

*"Unless the LORD builds the house, the builders labour in vain"* applies very much to the restoration of the Cathedral Nave. In Jesus Name, we pray. Amen.
