# PRAYER HIGHLIGHTS

## THE WORLD

**Malaysia:** Pray that the government led by Prime Minister Anwar Ibrahim will seek the welfare of their people and solve the many pressing problems before them. Pray for competent men and women of integrity in the Federal and State governments. Pray for effective implementation of strategies that will improve the livelihood for all Malaysians, especially the deprived and the poor.

**Indonesia:** Recently, there have been many natural disasters from volcanic eruptions, earthquakes to floods. Haze and heat wave are expected in Indonesia and her close neighbours. Pray for the poor and the vulnerable to receive prompt assistance to reduce suffering; pray for livelihoods and the quality of life to be restored quickly.

Pray for our brothers and sisters in Christ to persevere in prayer; that God will strengthen them to have the courage, tenacity and the means to be “salt and light” in these countries.

## SINGAPORE

Pray that our men and women in the Ministries of Defence, Health and Home Affairs, will implement good strategies to keep Singapore safe from external threats, be they war, terrorism or viruses. Pray our cyber defence and education of our people, will stop scammers from deceiving and defrauding our people.

This week Muslims celebrate Hari Raya Puasa, a joyous day of celebration after a month of fasting. Pray that they will have a blessed time with family and friends. Teach us to reach out to them with love and kindness and that we be winsome in our ways.

## DIOCESE

**Deanery of Indonesia** — Dean: Revd Dr Timothy Chong and the pastors and staff of the churches in Indonesia.

Pray that the congregation will grow in the love and the fear of the LORD and be good testimonies for God. Pray for God’s anointing on the teachers in the schools and kindergartens. Pray that the next generation of young people will be well nurtured and radiate the love and wisdom of the LORD.

## CATHEDRAL

### Nave restoration

Pray for all who are involved in the restoration — the contractors, engineers, managers, supervisors, specialists, workers and our staff — that they will have the enablement from our heavenly Father, and be blessed with the joy of His presence daily. Pray for safety, timely availability of the right materials and excellent project management. As the LORD refreshes His physical building, may He also do the same with His church, the body of Christ that worships in this place.

### Cathedral members

Pray for God to open our eyes to see the things that have brought burdens, anxieties, fears and sometimes, even darkness into our hearts. Implore our Heavenly Father to lead us back to His path of righteousness and peace; that in our repentance, we remember also His abundant grace and mercy. Let us be patient, humble, and wait expectantly for Him to pour out His holy fire into our hearts, so we return to our first love for Him and place Him as the only Lord of our lives.

# LEADERSHIP TRANSITION IN ST ANDREW'S CATHEDRAL

Announcement by the Vicar's Warden (Mr Keith Chua)

Dear Church,

Having prayerfully and carefully considered the long-term plans to strengthen our Diocese and our mission works in the deaneries, Bishop Titus Chung has decided to make an important leadership transition in Cathedral. The plan is for Revd Christopher Chan to take over as the Acting Vicar of St Andrew's Cathedral from 1st January 2024.

As for Canon Lewis Lew, he will be taking on additional diocesan responsibilities from 1st June: he will serve as both the Vicar of St George's Church and the Dean of Laos while continuing as the Vicar of St Andrew's Cathedral until the end of this year. From 1st Jan 2024, he will hand over the leadership of Cathedral to Revd Christopher and give his fullest attention to St George's Church and the Deanery of Laos. Therefore, one of Vicar's priorities for the rest of this year is to support Revd Christopher as he prepares for his new appointment.

Regarding Vicar's new assignment: St George's Church dates back to 1860s and is located in the Dempsey area. It has a congregation of about 560 members consisting of expatriates and locals, and the Vicar has always been an expatriate clergyman. Revd Ian Hadfield is the current Vicar, and his licence will expire in July this year. Bishop Titus believes that the time is right for the parish to have a local Vicar. This assignment will contribute to the longevity of the parish's ministry, which is especially important in view of the growth of the parish and the government's plans to develop Dempsey into a residential estate.

St George's Church has only one clergyman (the Vicar) and a lean staff team. Given the ministry demands, Vicar will be less present in Cathedral between June and December, for which we ask your kind understanding. He will do his best to be back on some weekends and for major events, and he will continue to chair the PCC meeting and be responsible for Cathedral's key decisions. However, for most pastoral and operational matters, Revd Christopher, our Associate Vicar, will be stepping up to provide the necessary leadership during this period.

You might have observed that Revd Christopher has been undergoing preparation for this leadership role since he began serving here in Cathedral. We believe that you have been tremendously blessed by his leadership and ministry, especially over the pulpit. We hope that you will give him your fullest support.

Lastly, let us pray for both St Andrew's Cathedral and St George's Church during this critical period of leadership transition in both parishes. *Thank you.*

**Conclusion by the Vicar (Revd Canon Dr Lewis Lew)**

With these key developments and the leadership succession plan for Cathedral, I will once again be sent into the mission fields, and I see myself as being sent out by you from Cathedral to fulfil God's call in both St George's Church and in the Deanery of Laos.

I know that, as with any change, some people will be uncomfortable with the decision. I want to assure you that Bishop Titus has carefully considered the life of Cathedral, how we have turned a corner, the delay in the Nave restoration, and the immediate tasks at hand in the Diocese. Having also considered that Cathedral has an able and stable leadership team, the lay included, he has prayerfully arrived at this decision.

I urge you to focus on the vision and mission that God has given to Cathedral in this season, and to give your fullest support to Revd Christopher Chan and the church leadership, in preparation for the revival that God will pour out on Cathedral. Lastly, I ask for your prayers for me and my family, and for Revd Christopher and his family, as we make this important leadership transition.

*Thank you!*

BEYOND HIS  
*Resurrection*

Unlike the other apostles of Christ,  
the Apostle Paul was never a disciple of Christ.  
Paul only met Jesus Christ after His resurrection in his  
dramatic encounter with Christ on the road to Damascus.  
How does Paul see Jesus? What does he tell us in his epistles?  
What does knowing Christ beyond his resurrection mean to us?  
This will be our focus in the Easter season.

## THE WELCOME CENTRE

*“See, I have set before you an open door that no one can shut.”*

Revelation 3:8

**W**e are thankful to God for blessing the Cathedral with the Welcome Centre – a special space set apart to be His open door for all to enter to encounter Him. By God’s grace, He brings us together as the church to work out His purpose for it. By faith, we look to Him to lead us on.

Based on the study undertaken by a Taskforce in 2021 on the use of the Welcome Centre in the post-Covid season, the PCC had considered members’ feedback received, the financial position, the functional and ministry aims of the Welcome Centre. A resolution was then passed to cease the commercial operations of the Cathedral Cafe. Subsequently, a working committee was commissioned last year to prepare for the Welcome Centre reopening.

Being an integral part of the Cathedral, the Welcome Centre’s purpose and use are decidedly aligned with the Cathedral’s focus on discipleship and evangelism, and with the Diocesan’s call to obey the Great Commandment (Matt. 22:36-40) and to fulfill the Great Commission (Matt.28:16-20). We envision the Welcome Centre to be a place of blessing to both the public and members – an oasis offering rest and respite from the activities, cares and busyness of life and work. Those who enter are welcomed with warm hospitality and a friendly chat or listening ear

over a complimentary cup of coffee/tea in a comfortable setting. For those with pastoral needs, attentive care is extended and the follow-up by specific ministries to help with such needs.

It is our heartfelt prayer that our Lord Jesus will draw many to encounter him with the spirit refreshed, the soul restored, the heart encouraged with hope through fellowship, and lives saved through the sharing of the good news. May it be a space where the Cathedral family can come together to share life to bless each other, and to serve to bless the community.

With several major renovations in progress on the Cathedral ground, there is a significant limitation of space. Consequently, the Welcome Centre is now used as staff workspace, a place for meetings and ministry. The eventual reopening of the Welcome Centre is closely dependent on the completion of these renovations. We hope to share more updates along the way as the work progresses.

Should you have any inquiry or feedback relating to the Welcome Centre, please do connect with us at [welcomecentre@cathedral.org.sg](mailto:welcomecentre@cathedral.org.sg). Let us pray in faith as we look to the LORD to bring all the Cathedral renovations to completion in His sovereign time and way, for His glorious purpose.

***“Unless the LORD builds the house, the builders labour in vain.”***

We continue to Thank God for answered prayers: the second delivery of lime plaster materials has arrived; the second half of scaffolding work from the main Nave to the reredos is in progress and nearing completion; the plastering work to the bell tower is progressing well; the laying of air-conditioning pipes is almost done and the pressure tests have been conducted; the electrical contractor has started laying the containments which will be followed by the laying of cables for the various services, such as IT, AV system, CCTV and other security systems; the painting of the staff offices at the South Transept L2 and L3 has been completed, and the cleaning of these offices and minor repair work to the window and door glass panels is in progress; and the painting of the external walls at the South Transept has been completed.

We are currently looking at the completion of all works to the external walls of the bell tower by May 2023, after which the scaffolding around the bell tower will be dismantled. The repair works to the fleur-de-lis (located at the bell tower) will commence soon, and hopefully, will be completed before the scaffolding is removed. The main contractor plans to complete the rest of the external works in stages, and to reassign the workers to carry out internal works as each stage of external works is completed. The SAC team will continue to work closely with the main contractor on site operation matters.

We are thankful for members from the Mandarin and English congregations who have continued to bless the workers with meals and love gifts. Such sharing of God’s love and care has touched the workers, who are very appreciative.

In the recent weeks, we have been informed by the main contractor for the Cathedral Nave Restoration project, Shanghai Chong Kee Furniture & Construction Pte Ltd (“SCK”), that they had on 20 March 2023, applied to the High Court of the Republic of Singapore for moratorium protection. In the application to court, SCK has sought court orders to restrain legal actions by creditors for a period of 6 months. If the application is granted, the court-supervised process will give time for SCK to reorganise its liabilities and business, including holding discussions with potential investors and potential asset divestments. SCK has further

informed us that they remain committed to continue and to complete the ongoing project.

In the meantime, the Cathedral leadership is seeking legal advice on the implications of the Moratorium Application on Cathedral and the Nave Restoration project, and working through with our consultants and project team on the best way to move the project forward to ensure the timely completion. We will continue to update members from time to time on significant events affecting the project.

We continue to pray for the Lord’s favour over the restoration –

- for smooth work progress and the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and
- for wisdom and practical abilities for the project teams to give of their best to this work.
