COLLECT FOURTH SUNDAY OF EASTER

Almighty God, whose Son Jesus Christ is the resurrection and the life of all who put their trust in him: raise us, we pray, from the death of sin to the life of righteousness; that we may seek the things which are above, where he reigns with you and the Holy Spirit, one God, now and for ever. Amen.

PRAYER HIGHLIGHTS

THE WORLD

The continuing war in Ukraine, internal strife in Sudan and Israel, the deepening hostility between US and China, and protectionism that will undermine the foundations of the multilateral trading system, dominate the headlines and augur fear and uncertainty for the whole world.

Pray that hostilities between countries will subside and war will be averted. Pray that the gospel will continue to be proclaimed especially to those parts of the world that have not been reached. Ask the LORD for his grace that the people of God will continue to be salt and light in their areas of influence; that their faith in God and the knowledge of His Word will grow and that they will persevere to the end.

SINGAPORE

Pray for the Minister of Health, Ong Ye Kung, as he leads his ministry in implementing Healthier SG and keeping Singapore safe and responsive to any new crisis that may plague our health care systems and people. Thank God that Singapore has access to the best medical resources available and pray that we will use all these resources wisely.

DIOCESE

Pray for Singapore Anglican Community Services: CEO, Dr Arthur Chern, Archdeacon for Community Services Ven Wong Tak Meng, and the Chaplains.

Pray that our service to the community will be undergirded by prayer. Pray for God's protection and anointing over all Community

Services staff and volunteers as they care for the psychiatric sick, the elderly and families at risk in the community. Let them be truly serving as light and salt in Singapore.

CATHEDRAL

BEYOND HIS
Resurrection

Unlike the other apostles of Christ, the Apostle Paul was never a disciple of Christ. Paul only met Jesus Christ after His resurrection in his dramatic encounter with Christ on the road to Damascus.

How does Paul see Jesus? What does he tell us in his epistles?
What does knowing Christ beyond his resurrection mean to us?
This will be our focus in the Easter season.

CONFIRMATION

THE BIBLICAL DEBATE ON HOMOSEXUALITY

Do we really understand what the Bible says about alternate lifestyles? The recent repeal of Section 377A of the Penal Code brought the issue of homosexuality to the fore again. Join Revd Dr Jeremy-Joe Tan on an in-depth exploration of the main Scriptural passages on the issue and receive handles on how to engage in conversation with friends and family.

Date: 16 May 2023 (Tues)

Time: 7.30pm – 9.30pm (via Zoom)

Speaker:

Revd Dr Jeremy-Joe Tan

Revd Dr Jeremy-Joe Tan is an ordained minister with the Anglican Diocese of Singapore and a faculty member of the Trinity Theological College.

Interested participants may register at
<https://forms.gle/52vaJmoKKwHyFQ5f8> by 12 May.

“Unless the LORD builds the house, the builders labour in vain.”

We continue to Thank God for answered prayers: the second delivery of lime plaster materials has arrived; the second half of scaffolding work from the main Nave to the reredos is in progress and nearing completion; the plastering work to the bell tower is progressing well; the laying of air-conditioning pipes is almost done and the pressure tests have been conducted; the electrical contractor has started laying the containments which will be followed by the laying of cables for the various services, such as IT, AV system, CCTV and other security systems; the painting of the staff offices at the South Transept L2 and L3 has been completed, and the cleaning of these offices and minor repair work to the window and door glass panels is in progress; and the painting of the external walls at the South Transept has been completed.

We are currently looking at the completion of all works to the external walls of the bell tower by May 2023, after which the scaffolding around the bell tower will be dismantled. The repair works to the fleur-de-lis (located at the bell tower) will commence soon, and hopefully, will be completed before the scaffolding is removed. The main contractor plans to complete the rest of the external works in stages, and to reassign the workers to carry out internal works as each stage of external works is completed. The SAC team will continue to work closely with the main contractor on site operation matters.

We are thankful for members from the Mandarin and English congregations who have continued to bless the workers with meals and love gifts. Such sharing of God’s love and care has touched the workers, who are very appreciative.

In the recent weeks, we have been informed by the main contractor for the Cathedral Nave Restoration project, Shanghai Chong Kee Furniture & Construction Pte Ltd (“SCK”), that they had on 20 March 2023, applied to the High Court of the Republic of Singapore for moratorium protection. In the application to court, SCK has sought court orders to restrain legal actions by creditors for a period of 6 months. If the application is granted, the court-supervised process will give time for SCK to reorganise its liabilities and business, including holding discussions with potential investors and potential asset divestments. SCK has further

informed us that they remain committed to continue and to complete the ongoing project.

In the meantime, the Cathedral leadership is seeking legal advice on the implications of the Moratorium Application on Cathedral and the Nave Restoration project, and working through with our consultants and project team on the best way to move the project forward to ensure the timely completion. We will continue to update members from time to time on significant events affecting the project.

We continue to pray for the Lord’s favour over the restoration –

- for smooth work progress and the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and
- for wisdom and practical abilities for the project teams to give of their best to this work.
