PRAYER HIGHLIGHTS

THE WORLD

Climate change will continue to be the cause of recurrent disasters - drought, wild fires, floods which will affect food production leading to hunger and breakout of pandemics. Pray for rapid deployment of aid to those affected. Pray for the Church throughout the world, that it will be a beacon of light and hope to those in need of help in these desperate times.

SINGAPORE

Pray for the Minister of Health, Mr Ong Ye Kung, and his team as they continue to build a good healthcare system in Singapore, encourage Singaporeans to focus on taking an active part in staying healthy, and improving the quality of life for all. Pray for good strategies to manage the range of illnesses and keep costs affordable. Pray for our healthcare professionals as they undertake their duties, that God grant them wisdom, strength and compassionate hearts as they take care of the sick and elderly, and bless them with success, satisfaction and joy in all the good work that they do.

DIOCESE

St George's Church Vicar Revd Canon Dr Lewis Lew;

St Peter's Church Vicar Revd Michael Teh

St James' Church Vicar Revd Canon Chua Siang Guan; Chinese Congregation priest Revd Yap Chee Han; St James' Church Kindergarten Principals, Ms Chng Shu Min, Mrs Chua Bee Lian, Mrs Eudora Lim

Pray for God's anointing on the Vicars and their pastoral teams. Pray that God continues to bless the kindergarten with able loving teachers who will imbue the children with the right character and love for God; and that they will enjoy favour with the authorities and the community they reach out to with the love of Christ.

CATHEDRAL

With Vicar Revd Canon Dr Lewis Lew taking on additional appointments as Vicar of St George's Church and Dean of Laos, the roles and responsibilities of the pastoral leadership will also be enlarged. Pray for Revd Christopher Chan, Associate Vicar as he takes on additional responsibilities in the Cathedral and assumes the leadership of the Cathedral on 1 Jan 2024. Pray for the leadership to have the favour of God and man as they work through these transitions.

Father's Day 18 June

Let us give thanks to God for our fathers, grandfathers, god-fathers, and all those who have served as a fatherly figure to us. Pray for God's wisdom and strength on them as they live out their role as fathers to bring up the next generation in the training and instruction of the Lord, to know right from wrong, truth from error, and to choose that which leads to life and is pleasing to God.

June 7 - Sept 6

When God was choosing a king for his people, he chose David whom he says, 'I have found in David the son of Jesse a man after my heart, who will do all my will.' (Acts 13:22)

What makes David a man after God's heart?

What can we learn from David's experience about developing a heart for God?

What pleases the heart of God?

What can conflict our heart with God's heart?

How do we align our heart with God's heart?

Join us as we look more closely at God's heart and our own heart.

When you next visit the Cathedral, do look up at the bell tower.

- The workers have started removing the scaffolds at the spire, revealing a cross at the top and the St Andrew's Cross just below it. It is a beautiful sight, which we've not seen for almost 6 months.
- There are 32 levels from ground level to the top of the tower, at a height of 64 metres. Several inspections were carried out earlier to ensure that the repairs were in good order, before the go ahead was given for the removal of the scaffolds down to the 18th level.
- Works are ongoing to restore or replace the "fleur de lis" finial at the 18th level. Once that work is completed, the scaffold at the bell tower will be removed, starting from end July onwards.

St Andrew's Cross
@ Bell Tower

2. Bell Tower:

- Plastering and painting works are ongoing from Level 18 and below.
- Repairs to the fleur de lis are in progress.
- Waterproofing works to the "balconies" at the bell tower will take place as the scaffolds are removed.
- We expect the works to the bell tower to be completed by July.

3. External Works:

- Works at the steeples along the South Transept will continue, and the washing of the roof of the Nave has been scheduled for end of June.

Our good Lord continues to see us through as we work towards the completion of the restoration works. We continue to raise our hands unto Our Father in Heaven in thanksgiving and praise.

We continue to see good progress to the following:

1. Internal works:

- Plaster and brick repairs in the main section of the Cathedral have been completed. Plastering works will commence soon, to be followed by painting of the walls and columns.
- Laying of electrical cables inside the trench is almost done; AV cabling works inside the trench is also almost done. The works to cover the trench are expected to commence in June, after all the services cabling and AC pipes have been laid.
- New scaffolds are now being erected along the aisles in the Nave, in preparation for the removal of hollow plasters and brick repairs.
- Repairs to the glass windows and doors at North Transept have been completed, and the workers have started on the glass windows and doors at the South Transept.

We continue to pray for the Lord's favour over the restoration -

- for smooth work progress and the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and
- for wisdom and practical abilities for the project teams to give of their best to this work.
