FOURTH SUNDAY AFTER TRINITY

Almighty God, you show to those who are in error the light of your truth, that they may return to the way of righteousness. May we and all who have been admitted to the fellowship of Christ's religion reject those things which are contrary to our profession and follow all such things as are agreeable to the same; through Jesus Christ our Lord. Amen.

PRAYER HIGHLIGHTS

THE WORLD

Asia remains in the grip of a blistering heatwave and climate scientists predict that 2023 could be the world's hottest year. Pray that governments in the region will be able to put in action plans to deal with the consequences to their peoples - to protect public health, deal with resulting drought, haze, and further disruptions to economies still recovering from the damage done by the pandemic years.

SINGAPORE

Phishing activities, increasing sophistication in malware scams and the stealing of banking credentials have recently increased. Pray for the Singapore Police Force to have the tools and the trained manpower to speedily track down and prosecute criminals.

More and more transactions migrate to online platforms that enable us to invest, shop, order food, arrange deliveries and travel from the convenience of our phones. Pray for effective public outreach programmes on good cyber hygiene practices and that users take responsibility to be educated, on the safe use of applications and its dangers.

Pray that the Cyber Security Agency of Singapore be equipped to perform its critical function of setting up a strong foundation of cyber security to fend off the multitude of threats that lurk in cyberspace; that we employ people of integrity and ability to build effective cyber defences and that the Agency stays on top of the rapid developments taking place in cyberspace.

DIOCESE

Diocese of Singapore Pray for Bishop Rt Revd Dr Titus Chung, Assistant Bishop Low Jee King, Archdeacon Ven Daniel Wee, Archdeacon of Community Services Ven Wong Tak Meng, Diocesan officers and heads of various Boards. Pray that the work of the Diocese will continue to grow and flourish under God's mighty hand as His people

unite in heart, mind and spirit, to advance His Kingdom and exalt His Name.

Province of South East Asia

Pray for the Archbishop of the Province of South East Asia & Bishop of the Diocese of Sabah, the Most Revd Datuk Melter Tais, the Bishop of the Diocese of Kuching, Rt Revd Datuk Danald Jute, the Bishop of the Diocese of West Malaysia, Rt Revd Dr Steven Abbarow and the Bishop of the Diocese of Singapore, Rt Revd Dr Titus Chung, that God will envision and empower them to serve His purpose in the Province, deepen their collaboration in strategic evangelistic, discipleship and missions initiatives, to strengthen the Body of Christ in the Province and to extend God's Kingdom.

Diocesan Certificate of Biblical Studies (DCBS)

starting 6th July - pray for the instructors and participants of the DCBS programme as they resume study to build up personal biblical literacy in and love for God's Word.

CATHEDRAL

Alpha @ Cathedral – starting 5th July – Pray for relatives, friends, and those searching for meaning in life to join the upcoming Alpha course. Pray that they will be open and receptive to the message, for the Lord's anointing upon the facilitators and helpers and for the Holy Spirit to convict the hearts and minds of all participants.

Members

Pray for the sick among us and their caregivers. Pray for God to give them strength, comfort and hope for each day. Pray also for those suffering from dementia; Pray for more dementia friendly neighbourhoods and local communities who will support those with dementia living in their midst and their caregivers.

When God was choosing a king for his people, he chose David whom he says, 'I have found in David the son of Jesse a man after my heart, who will do all my will.' (Acts 13:22)

What makes David a man after God's heart?
What can we learn from David's experience about developing a heart for God?

What pleases the heart of God?

What can conflict our heart with God's heart?
How do we align our heart with God's heart?

Join us as we look more closely at God's heart and our own heart.

40.DAY 2023

JULY 1 - AUGUST 9

Scripture tells us:

- That our leaders are bearers of deep truths of the faith (1 TIMOTHY 3:9)
- That what God is about to do, He first tells His prophets (AMOS 3:7)
- That in an abundance of wise counsel there is victory (PROVERBS 11:14)
- That we are to love and heed the instruction of our leaders (PROVERBS 12:1)

This is the heart of this new iteration of the annual 40.Day prayer season.

This year, we will hear 40 devotional insights and 40 prayers from 40 leaders in Singapore, male and female, spanning pastors, missionaries, and para-church heads.

What has God been telling our prophets? What instruction will He give us in their wise counsel? Will we heed His Word?

And in a 40.Day first, we will literally *hear* from them.

Their voices, visage and emotion will be brought to your screens daily on video as they share the Word in Season for the Church.

Every video will be accompanied by –

- **An English article**, including reflection questions and prayer pointers
- **A Chinese translation** of the article, reflection questions and prayer pointers
- **A Family Devotion edition**, suitable for children under 12 years old

– all published daily on LoveSingapore platforms from 1 July to 9 August:

Most of the works in June were concentrated at the Choir Stall and the Sanctuary. We hope to complete the plastering of the walls by mid-July and have the scaffolds removed after that. There are large areas on many of the walls inside the Nave that need plastering. The plan is to carry out the plastering work in different stages, starting from the Choir Stall and moving towards the West Porch, and removing the scaffolds along the main Nave as we progress on. This will then pave the way for the installation of the air-con fan coil units (FCUs) and the AV and electrical fittings, as well as flooring works. The M&E works are progressing well. The trunkings for the cables and pipes are mostly covered, and casting works to cover the M&E trenches will commence from the last week of June.

We also continue to see good progress to the following:

1. Internal works:

- Application of lime plaster base coats are ongoing to walls and columns at the Choir Stall and the Sanctuary, and the finishing skim coats are being applied after the base coats “cure”.
- The scaffold installation along the south aisle has been completed, and the brick and plaster repairs to the area are nearing completion. The installation of scaffold along the north aisle is ongoing, and will be followed by brick and plaster repair works.
- Carpentry and glass investigative works have commenced at the Sacristy and the Vestry.

2. Bell Tower:

- Plastering and painting works are ongoing from Level 18 and below.
- Repairs to the fleur-de-lis are in progress. We have a new wooden carving of the shape of the fleur-de-lis to replace the old rotten wood. The new wooden carving is now being carefully wrapped with lead, after which the lead will be coated with lead patination oil and reinstalled at the 18th level.
- Waterproofing works to the “balconies” at the bell tower will take place in stages, commencing in July.

3. External Works:

- Spires above the South Transept: The spire closer to the West Lawn has been painted, and some minor repair works will be carried out to the pre-cast structure of this spire. Similar repairs will be carried out to the second spire before the spire is painted.
- Spires above the Sacristy: Inspection to these spires were carried out last week, when we found that the surface is lime plaster. Minor repairs to the surface will be carried out. The fleur-de-lis at the top of the spires is in very good condition, and no repairs will be required to them.
- A trial wash of the roof slates was carried out to a small area of the South Transept roof, to trial the various washing methods to ensure minimal or no damage to the roof slates.

Trial wash to existing roof slates above South Transept

We continue to pray for the Lord’s favour over the restoration –

- for smooth work progress and the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and
- for wisdom and practical abilities for the project teams to give of their best to this work.
