PRAYER HIGHLIGHTS

THE WORLD

The contest for gospel truth is getting harder. The world has changed rapidly, the foundations of moral life have been shaken. The spiritual darkness is thickening. There is resistance to absolute truth claims, unbalanced premium on individual liberty and the young are growing up with a radically different worldview. [*Light and Oil, LoveSG2023, Bishop Rennis Ponniah*] Pray for the church worldwide and in Singapore, that God's faithful people will pray, give, send and get the good news out to the nations.

SINGAPORE

Singapore had 476 suicides in 2022, the highest number in 20 years. Family, employment, financial difficulties and romantic relationships were the most frequent problems. Suicide remains the leading cause of death for youths aged 10 to 29 for the 4th consecutive year and is about a third of all deaths in this age group. People aged 70 to 79 registered the biggest increase, with the top 3 issues being medical problems, family difficulties and loneliness. [*Samaritans of Singapore, SOS*]

Pray for our healthcare professionals, educators, SOS and community workers to strengthen our system of care and support to prevent such tragedies. Pray for God to shine His light and hope into the hearts of those suffering unseen mental distress.

CATHEDRAL

God promises to make His faithful people the light to the nations. Pray God pour out on the Cathedral church the oil of the Holy Spirit, that will touch and transform us and the nations. Let us be broken, empty and desperate to lift up our fervent, united and beseeching prayers to God that He might mend us and fill us with the oil of the Holy Spirit. [*Light and Oil, LoveSG2023, Bishop Rennis*]

When God was choosing a king for his people, he chose David whom he says, 'I have found in David the son of Jesse a man after my heart, who will do all my will.' (Acts 13:22)

What makes David a man after God's heart?

What can we learn from David's experience about developing a heart for God?

What pleases the heart of God?

What can conflict our heart with God's heart?

How do we align our heart with God's heart?

Join us as we look more closely at God's heart and our own heart.

40.DAY 2023

JULY 1 - AUGUST 9

Scripture tells us:

- That our leaders are bearers of deep truths of the faith (1 TIMOTHY 3:9)
- That what God is about to do, He first tells His prophets (AMOS 3:7)
- That in an abundance of wise counsel there is victory (PROVERBS 11:14)
- That we are to love and heed the instruction of our leaders (PROVERBS 12:1)

This is the heart of this new iteration of the annual 40.Day prayer season.

This year, we will hear 40 devotional insights and 40 prayers from 40 leaders in Singapore, male and female, spanning pastors, missionaries, and para-church heads.

What has God been telling our prophets? What instruction will He give us in their wise counsel? Will we heed His Word?

And in a 40.Day first, we will literally *hear* from them.

Their voices, visage and emotion will be brought to your screens daily on video as they share the Word in Season for the Church.

Every video will be accompanied by –

- **An English article**, including reflection questions and prayer pointers
- **A Chinese translation** of the article, reflection questions and prayer pointers
- **A Family Devotion edition**, suitable for children under 12 years old

– all published daily on LoveSingapore platforms from 1 July to 9 August:

Contemplative Prayer Retreat

The Contemplative Prayer Retreat is a tailor-made stay-in retreat for personal time out, away from the hustle and bustle of life, in order to be alone with God. The time and silence and solitude is so that we can listen in to hear for ourselves, the God who dwells among us.

This retreat is a Beginners' 3-day Teaching Retreat. Basic biblical teachings regarding Meditation, Prayer and Contemplation will be taught each day. A typical day begins with Morning Chapel, followed by personal reflection time in the morning and afternoon. The day will end with a corporate time of Recollection before bed. Retreat will conclude with Corporate Reflection and Communion.

Most of the works in June were concentrated at the Choir Stall and the Sanctuary. We hope to complete the plastering of the walls by mid-July and have the scaffolds removed after that. There are large areas on many of the walls inside the Nave that need plastering. The plan is to carry out the plastering work in different stages, starting from the Choir Stall and moving towards the West Porch, and removing the scaffolds along the main Nave as we progress on. This will then pave the way for the installation of the air-con fan coil units (FCUs) and the AV and electrical fittings, as well as flooring works. The M&E works are progressing well. The trunkings for the cables and pipes are mostly covered, and casting works to cover the M&E trenches will commence from the last week of June.

We also continue to see good progress to the following:

1. Internal works:

- Application of lime plaster base coats are ongoing to walls and columns at the Choir Stall and the Sanctuary, and the finishing skim coats are being applied after the base coats “cure”.
- The scaffold installation along the south aisle has been completed, and the brick and plaster repairs to the area are nearing completion. The installation of scaffold along the north aisle is ongoing, and will be followed by brick and plaster repair works.
- Carpentry and glass investigative works have commenced at the Sacristy and the Vestry.

2. Bell Tower:

- Plastering and painting works are ongoing from Level 18 and below.
- Repairs to the fleur-de-lis are in progress. We have a new wooden carving of the shape of the fleur-de-lis to replace the old rotten wood. The new wooden carving is now being carefully wrapped with lead, after which the lead will be coated with lead patination oil and reinstalled at the 18th level.
- Waterproofing works to the “balconies” at the bell tower will take place in stages, commencing in July.

3. External Works:

- Spires above the South Transept: The spire closer to the West Lawn has been painted, and some minor repair works will be carried out to the pre-cast structure of this spire. Similar repairs will be carried out to the second spire before the spire is painted.
- Spires above the Sacristy: Inspection to these spires were carried out last week, when we found that the surface is lime plaster. Minor repairs to the surface will be carried out. The fleur-de-lis at the top of the spires is in very good condition, and no repairs will be required to them.
- A trial wash of the roof slates was carried out to a small area of the South Transept roof, to trial the various washing methods to ensure minimal or no damage to the roof slates.

Trial wash to existing roof slates above South Transept

We continue to pray for the Lord’s favour over the restoration –

- for smooth work progress and the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources; and
- for wisdom and practical abilities for the project teams to give of their best to this work.
