Almighty God, who called your Church to witness that you were in Christ reconciling men to yourself: help us so to proclaim the good news of your love, that all who hear it may be reconciled to you; through him who died for us and rose again and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

PRAYER HIGHLIGHTS

THE WORLD

Parts of Africa may see more war and the suffering that it brings. Nearer home, the United Nations has documented evidence that the Myanmar military and affiliated militia have been committing increasingly frequent and brazen war crimes. This included indiscriminate aerial bombardment, the burning of villages, mass killings and horrific violence. [CNA Insider 8 Aug]

Pray for divine intervention to deal with corruption and swift justice on evil doers. God has a heart for the poor. Pray for the poor to have their living standards improved with access to clean water, adequate food and shelter, and good education for their children.

SINGAPORE

Pray for the upcoming Presidential Election and for wisdom for the people of Singapore as they vote. Pray for God's will to prevail.

Continue to pray for unity in prayer among the Singapore churches as we ask for God's mercy on Singapore and for His Spirit to lead us in fulfilling His purposes.

Pray for safety and a joyful time for the 58-member team as they visit Cambodia to appreciate and give thanks to our LORD for the work that He is doing in Cambodia through PKH.

Pray that the presence of the team will be an encouragement and blessing to the candidates at their Baptism Service on the 26 Aug. Pray for good health and good fellowship for all as they meet with PKH alumni and staff and worship with the congregation of Church of Christ our Peace (CCOP) on 27 Aug.

Members

Pray for the sick amongst us and their caregivers. Pray that the sick will receive quality medical care, experience God's presence and receive the support of their families and friends. For the caregivers, pray God to give them the ability to care for the sick in a compassionate way, that daily, they will be filled with renewed strength and joy and that they will have no lack.

Pray for the elderly, that they can age gracefully, still bear good fruit in old age and the will to declare the goodness of the LORD.

Wednesday 12.30pm Holy Communion Service

June 7 - Sept 6

When God was choosing a king for his people, he chose David whom he says, 'I have found in David the son of Jesse a man after my heart, who will do all my will.' (Acts 13:22)

What makes David a man after God's heart?
What can we learn from David's experience about developing a heart for God?

What pleases the heart of God?

What can conflict our heart with God's heart?
How do we align our heart with God's heart?

Join us as we look more closely at God's heart and our own heart.

Inspection being carried to repaired bricks above the North Aisle.

Plastering works stretching from the Choir stall to the back of the Nave are almost completed. A final inspection will be done in early August, before painting commences. Brick preparation works are now ongoing along the North and South Aisles; and plastering to these areas will also commence in early August.

The installation and making good of the lightning protection system at the bell tower is almost completed. The plastering works to the lower half of the bell tower are progressing well. We have scheduled the removal of scaffolds at the bell tower together with the external scaffolds at the North and South Transept for the end of August.

There has been a slight delay to the trench casting works in the Nave, which should now commence in the first week of August.

We continue to see good progress to the following:

1. Internal works:

- Application of lime plaster finishing coats to the walls and columns from the Choir stall and Sanctuary to the back of the Nave are nearing completion.
- Plastering works to the aisles will be commencing soon.

2. Bell Tower:

- Plastering and painting works are ongoing at the lower levels.
- Repairs to the fleur-de-lis have been completed and patination oil has been applied to the lead surfaces.
- Waterproofing works to the “balconies” at the bell tower has commenced, and should be completed by the 3rd week of August.
- Replacement of coloured glass at the ringing chamber in the bell tower is in progress. Coloured glass is presently being laser-cut to shape. Once ready, the glass will be installed before the scaffold comes down.

3. External Works:

- 2 spires above end of the South Transept: The spire closer to the site office has been painted. The pre-cast structure of this spire will require some minor repair works to the cracks that have appeared. Similar repairs will take place at the 2nd spire before the workers proceed with painting.
- 2 spires above the Sacristy: Inspection to these spires was carried out. The surface of the structures is made of lime plaster; minor repairs to the surface will be carried out. The fleur-de-lis at the top of the spires is in very good condition, and no repairs are required.
- We are waiting for the arrival of a boom crane, to commence the washing of the roof slates. We hope the washing can be completed before the scaffolds are removed.

We continue to pray for the Lord’s favour over the restoration -

- for the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources;
- for wisdom and practical abilities for the project teams to give of their best to this work; and
- for smooth work progress and the completion of the Nave restoration project. **“Unless the Lord builds the house, those who build it labour in vain.”** (Ps 127:1) ESV

Fleur-de-lis with lightning protection attached.

Old paint to the coloured glasses framework at the clerestorey removed. Wood preservatives applied.
