PRAYER HIGHLIGHTS

THE WORLD

Pray for the end of the Ukraine war and for the successful negotiation of a just settlement. Even as war threatens to erupt in parts of West Africa, pray for peacemakers to succeed in averting a war, for capable leaders to be raised up to truly serve the people of those countries, bring them out of poverty, establish effective healthcare, and protect and use the natural resources for the benefit of the people.

SINGAPORE

Thank God for our Police, the Monetary Authority of Singapore and other agencies, for their work in detecting and fighting crime. Pray that God will bless them with the wherewithal to be alert and diligent in stopping crime and apprehending the wrongdoers.

Pray for God's wisdom and anointing on our Prime Minister as he endeavours to keep Singapore clean and free from corruption. Pray for the Auditor-General's Office, Corrupt Practices Investigation Bureau and other agencies that serve to establish and administer processes that will check on the work of government departments and the civil service. Pray for God's hand over them and that corruption and complacency will not set in.

Pray for our news media industry, that the editors and writers have wisdom and discernment to call out falsehood, and report truth.

DIOCESE

Deanery of Thailand

Dean, Revd Canon Yee Ching Wah, the clergy, pastoral and admin teams that serve in Thailand.

Deanery of Cambodia

Dean, Revd Steven Seah, the clergy, pastoral and admin teams that serve in Cambodia.

Pray that God establish the work of the hands of our respective Deans and their teams and give them His plans, as well as the necessary resources to reach those who have yet to hear the good news. May people see the love of Christ in the love of believers for one another and in the lives of those who labour in the field. Pray for the schools and social services work to bear good fruit and meet the needs of the community.

CATHEDRAL

Let us continue to thank God for His watch over the Nave Restoration works. Pray that He will also restore to us, His church, the years that the locusts have eaten, give us the joy of our salvation, and the new heart of gratitude and obedience to serve Him only.

The Cathedral will be closed on
Polling Day, 1 Sep 2023.

Wednesday 12.30pm Holy Communion Service

June 7 – Sept 6

When God was choosing a king for his people, he chose David whom he says,
 'I have found in David the son of Jesse a man after my heart,
 who will do all my will.' (Acts 13:22)

What makes David a man after God's heart?

What can we learn from David's experience about developing a heart for God?

What pleases the heart of God? What can conflict our heart with God's heart?

How do we align our heart with God's heart?

Join us as we look more closely at God's heart and our own heart.

DIOCESAN APOLOGETICS COURSE

MODULE 2:

THE EVIDENCES FOR CHRISTIANITY

Many of our non-Christian friends face intellectual obstacles when they encounter the Christian faith. These obstacles include difficulties believing that the miracles mentioned in the Bible actually happened, that a human being (Jesus) is also God, that a collection of books written thousands of years ago should be regarded as divinely authoritative, and that the message of Christianity alone should be regarded as uniquely salvific among the multitude of religions. This module equips students with the knowledge and skills to articulate compelling responses to these obstacles in practical settings.

MODULE 8:

THE CHRISTIAN AND THE LAST THINGS

Death, Judgement, Heaven and Hell – these are the Last Things which a Christian has to face in the end. Because it is in the future (the eschaton), many uncertainties and speculations have sprung up; with a plethora of teachings, theories and interpretations. How can a Christian to wade through and know which are Biblical and part of God's plan for His people? At the same time, Christians are to cling on to the hope we have in Christ while awaiting His return. This module aims to clarify and inform all who want to know how to discern what is the Truth and the Life.

Discovering the Holy Trinity

For many, the Trinity is a truly puzzling aspect of the Christian faith. Why are we taught to believe in one God, who exists in three persons (the Father, Son and the Holy Spirit)? How do these three persons of the Trinity relate to one another? Where in the Bible is this teaching found? Does this doctrine have any relevance to our life and ministry?

Come and explore these questions! With God's help, we hope to come away with a greater understanding of why the church has taught this doctrine since her beginning and how critical and relevant it is for us today.

Dates: 19 and 26 Sep 2023 (Tues)

Time: 7.30pm to 9.30 pm via Zoom

Speaker: Dr Leow Theng Huat

Dr Leow is a lecturer of theology at Trinity Theological College. He is a member and local preacher of Wesley Methodist Church. Dr Leow's passion is to convey the relevance of Christian theology for our life and ministry. He is married to Cheng Ping and they have three children.

Inspection being carried to repaired bricks above the North Aisle.

Plastering works stretching from the Choir stall to the back of the Nave are almost completed. A final inspection will be done in early August, before painting commences. Brick preparation works are now ongoing along the North and South Aisles; and plastering to these areas will also commence in early August.

The installation and making good of the lightning protection system at the bell tower is almost completed. The plastering works to the lower half of the bell tower are progressing well. We have scheduled the removal of scaffolds at the bell tower together with the external scaffolds at the North and South Transept for the end of August.

There has been a slight delay to the trench casting works in the Nave, which should now commence in the first week of August.

We continue to see good progress to the following:

1. Internal works:

- Application of lime plaster finishing coats to the walls and columns from the Choir stall and Sanctuary to the back of the Nave are nearing completion.
- Plastering works to the aisles will be commencing soon.

2. Bell Tower:

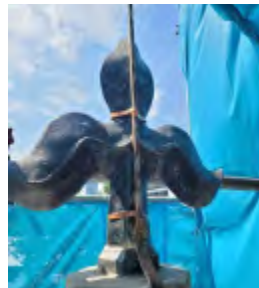

- Plastering and painting works are ongoing at the lower levels.
- Repairs to the fleur-de-lis have been completed and patination oil has been applied to the lead surfaces.
- Waterproofing works to the “balconies” at the bell tower has commenced, and should be completed by the 3rd week of August.
- Replacement of coloured glass at the ringing chamber in the bell tower is in progress. Coloured glass is presently being laser-cut to shape. Once ready, the glass will be installed before the scaffold comes down.

3. External Works:

- 2 spires above end of the South Transept: The spire closer to the site office has been painted. The pre-cast structure of this spire will require some minor repair works to the cracks that have appeared. Similar repairs will take place at the 2nd spire before the workers proceed with painting.
- 2 spires above the Sacristy: Inspection to these spires was carried out. The surface of the structures is made of lime plaster; minor repairs to the surface will be carried out. The fleur-de-lis at the top of the spires is in very good condition, and no repairs are required.
- We are waiting for the arrival of a boom crane, to commence the washing of the roof slates. We hope the washing can be completed before the scaffolds are removed.

We continue to pray for the Lord's favour over the restoration –

- for the safety of all workers and the technical team, especially when working at heights;
- for good weather, so that the works can continue smoothly and safely;
- for skilled workers to be available;
- for a safe and peaceful environment for the work to continue with minimal disruptions and distractions from internal and external sources;
- for wisdom and practical abilities for the project teams to give of their best to this work; and
- for smooth work progress and the completion of the Nave restoration project. ***“Unless the Lord builds the house, those who build it labour in vain.”*** (Ps 127:1) ESV

Fleur-de-lis with lightning protection attached.

Old paint to the coloured glasses framework at the clerestory removed. Wood preservatives applied.
