## NINTH SUNDAY AFTER TRINITY

Father of mankind, who gave your only-begotten Son to take upon himself the form of a servant and to be obedient even to death on a cross: give us the same mind that was in Christ Jesus that, sharing his humility, we may come to be with him in his glory; who is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

# PRAYER HIGHLIGHTS

## THE WORLD

Poor nations are the least responsible for carbon emissions but suffer the most from a warming planet. They need massive investments in energy systems to cut their own carbon footprints and they need finances to strengthen defences against the effects of global warming. Pray that developed countries, especially the wealthier nations, will act quickly to agree on the amount of global funding to be provided and the amount each will contribute to the poorer nations. Pray for constructive discussions and concrete action plans to be put in place at the forthcoming United Nations Climate Change Conference in November. Pray also for the safety of all athletes competing in the Paris Olympic Games and for closer ties to be forged among participating nations.

## SINGAPORE

Singapore is an open, digitally connected and diverse society, which makes us especially vulnerable to foreign interference. Pray against hostile foreign actors who use sophisticated tools and tactics to interfere in our domestic politics, incite social tensions and undermine Singapore's sovereignty. Pray for the Minister for Home Affairs Mr. K. Shanmugam and his team to remain vigilant in countering potential hostile information campaigns and stop foreign interference in our internal politics. Pray for divine favour for our government as they continue to keep Singapore safe, strengthen our economic framework and prepare to meet the challenges of a fast paced and uncertain global landscape.

## DIOCESE

### Deanery of Cambodia

Pray for the 5 families that have joined the Chinese congregation of the Church of Christ Our Peace in the past 2 months; that they will feel a sense of belonging and grow with the rest of the congregation. Pray also for more Sunday School teachers as the Sunday School has grown and now has 28 children. Pray that God will provide someone to spearhead the establishment of a Christian preschool in Phnom Penh. Thank God for Song Sereywath (aka Abraham) who will be serving as the Khmer pastor at the church in Kg Speu. His wife is also teaching English to the neighbourhood children and Sunday school. Pray that they will integrate well into the church and into their new roles.

## CATHEDRAL

### Thanksgiving

Thank God for Revd Alvin's dedicated and faithful service in our Cathedral during his time with us. Pray that what he has sown into our lives and into the Kingdom will continue to grow and flourish. Pray for him and his family as they move on to the Church of the Good Shepherd on 1 August; that the transition will be smooth and they will continue to be mighty channels of God's blessing in this new chapter of their lives and ministry.

### New Saturday Service at 4.45 pm (starting 17 Aug 2024)

The Saturday 4pm and 5.30pm Services will come together to form a new 4.45pm Saturday Service. Pray for the priest-in-charge of this new Saturday Service, Revd Daniel and the new service ministry teams as they serve together with joy and in unity. Pray that God pour out His fresh anointing oil on His people; for good fellowship at the inaugural Service cum dinner on 17 August as members reach out to one another, in a fresh season of new beginnings.

# Living the Transformed Life

God's calling for us is to live a life that has been transformed (Rm 12:2; 2 Cor 3:18; Eph 4:22-24; 2 Pet 1:3-11). How is our life to be lived in transformation?

From July to November, we are going to explore this life of transformation as we look at these three key areas of transformation:

1. The Heart of Transformation
2. The Path to Transformation
3. The Life in Transformation

**Join us as we journey together in our life of transformation every Wednesday at 12.30pm, beginning July 3rd.**

The Chinese civilization included a writing system that employs pictograms, pictographs, ideograms that formed characters generally referred to as logograms. The writing system originated 4,000 years ago and is one of the oldest language.

In this seminar, by examining the Chinese characters, we will discover that the ancient Chinese knew the creation events in Genesis and worshipped a monotheistic God.
