THIRTEENTH SUNDAY AFTER
TRINITY

Lord God, the protector of all who trust in you, without whom nothing is strong, nothing is holy: increase and multiply upon us your mercy, that you being our ruler and guide, we may so pass through things temporal that we finally lose not the things eternal. Grant this, heavenly Father, for the sake of Jesus Christ our Lord. Amen.

PRAYER HIGHLIGHTS

THE WORLD

Pray that the current Gaza ceasefire talks to secure peace and the release of hostages will be successfully concluded and that a wider regional conflict in the Middle East, will be averted. Pray for wisdom as the government of India seeks to put in place effective measures to curb violent sexual crimes against medical professionals and women. Pray that the gospel light will continue to shine in the midst of the growing darkness of this world; that many hearts will turn to Him and put their trust in Him who is their only source of true hope and salvation.

SINGAPORE

Pray for our Prime Minister, Mr Lawrence Wong and his 4G Team as they embark on the “major reset” announced by PM Wong in his maiden National Day Rally speech. Pray that Singaporeans will be ready for radical changes in government policies which are aimed at renewing Singapore’s social compact. Pray that Singapore will be able to maintain our competitive edge as a business hub and that Singaporeans will be able to adapt quickly to a constantly changing global economic environment.

DIOCESE

St George’s Church

Pray for God’s provision as the church raises funds for its redevelopment project. St George’s Church has a multi-national congregation;

pray that despite the cultural differences, there will be unity in purpose, theology and understanding of the mission and vision of the church. Pray for wisdom and divine guidance as the church seeks to develop their Young Adult Ministry and for more labourers in the harvest field as they continue their work of building God’s Kingdom.

CATHEDRAL

Children

Pray that our children will have divine grace to overcome anxiety and stress in their studies; they will be able to manage the demands of school work and maintain a healthy, well-balanced life. Pray that learning will be a joy and not a burden; that they will be disciplined in the use of technology, to harness its benefits and not be enslaved by it. Pray that they will grow strong in faith and cultivate a deeper relationship with God.

Young Adults

Pray that our young adults will invest their time wisely as they balance expectations from family, workplace and social media; that they will be faithful disciples who lead godly lives. Pray that they will have the strong support of the older generation as they work through personal struggles and they will help the younger generation to grow spiritually strong. Pray that they will prioritise the pursuit of God over career advancement and fulfil His destiny for their lives.

2. The Path to Transformation
3. The Life in Transformation

From July to November, we are going to explore this life of transformation as we look at these three key areas of transformation:

Introduction to Worldviews in Singapore

Christians are called to be in the world, but not of it. But that's not always easy as we're often subconsciously affected by our cultural stories and norms, or in other words, our worldview.

This course unpacks the concept of 'worldview', uncovers the worldviews that are prevalent both inside and outside the Singapore church, and explores how we ought to respond so as to live more faithfully to God's Word and His Story.
