PRAYER HIGHLIGHTS

THE WORLD

Pray for world leaders to strengthen multilateral ties as they adjust to the economic challenges presented by changes in America's foreign policies. Pray that they will continue to persevere in their strong resolve to tackle urgent global issues such as climate change and prepare for the possibility of future pandemics. Pray for the restoration of peace and order in countries facing political turmoil, for the poor and vulnerable to be cared for and for an end to all wars and conflicts. Pray that the gospel will continue to advance amid spiritual darkness, opposition and persecution and that many will find salvation and hope in our Lord Jesus Christ.

SINGAPORE

Pray for the Electoral Boundaries Review Committee which has been formed to review Singapore's electoral map, as they adjust the number of voters across electoral divisions, taking into consideration population shifts and housing developments. Pray for wisdom to make recommendations with regards to the number and size of Group Representation Constituencies and Single Member Constituencies. Pray for all government and other agencies involved in the planning and organization of the

forthcoming General Elections (GE) to prepare well so that every stage in the process leading up to the GE will be efficiently managed and carried out smoothly.
