PRAYER HIGHLIGHTS

THE WORLD

India

India has more than 20 million COVID19 cases and more than 222,000 deaths so far, attributed largely by the recent surge in the last few weeks. Currently there are close to 4 million reported active cases and 300,000 to 400,000 fresh new daily cases. Pray for Government leaders to responsibly handle this crisis. There is an acute oxygen crisis; people are dying from the lack of it and hospitals are overwhelmed. Vaccines are also in short supply. Pray that international aid will be poured into needy areas. Job losses, pay cuts and business shut-downs are on the rise. The nation is also grappling with famine, the devastation from a cyclone and economic stress. Pray that people will turn to the Lord and churches will be divinely guided and empowered to reach out to the needy in every possible way. *(Adapted from Diocesan source)*

SINGAPORE

Pray for our government leaders to be divinely guided as they monitor the COVID19 situation in Singapore closely and implement timely measures to effectively contain the spread of the virus; for teachers and students to adapt well to home based learning with minimal disruptions; for

businesses to remain viable and financially stable and for the protection of our health care workers, the elderly and vulnerable in our society.

DIOCESE

Deanery of Indonesia

Pray for the establishment of an Anglican theological college in Bali, the development of Anglican Schools in Kupang, Niki-Niki, Bekasi and Ambon; for God's protection over pastors and church members and His provision for those who have lost their jobs, during this COVID-19 pandemic

CATHEDRAL

Members

Pray for the Cathedral members to remain strong in faith, to care for each other's needs and the needs of our communities, in this challenging time; that members will remain connected to the church through online Services and with one another through various online platforms. Pray especially for the elderly single who are living alone, that God will watch over them and the church will be enabled to reach out to them in practical and helpful ways.

Thanksgiving

Thank God for guests who received Christ during our first Alpha course. Pray that they will grow strong in the Lord. Pray for the team as they plan the next Alpha course, that God will continue to use this ministry to bring many more into His Kingdom.

YOU CAN BET ON IT

“Gambling” is often associated with casinos, Toto and Big Sweep. But what about *investing*? Isn't that gambling as well? And what about buying shares in the stock market?

Or working as a stockbroker, a foreign exchange trader, or a relationship manager who offers margin trading to customers or financial planners who encourage clients to invest in financial instruments for passive income?

How then should Christians respond when asked is it ok to gamble?

Join us as we look at these questions with Rev Dr Daniel Koh in the next men2men Zoom talk on
