### WELCOME

A warm welcome to all members and visitors to our Services today.

#### HOLY COMMUNION

We welcome all confirmed members of the Anglican Church and visitors who are communicant members of other churches to share in the Holy Communion with us. Our practice is to have the Holy Communion by intinction (dipping of the wafer into the wine). If you are not partaking of the Communion, you are welcome to come forward to receive a prayer of blessing. Please keep your hands clasped to indicate that you are not receiving the Communion.

# YOU ARE IMPORTANT TO GOD AND US

I have been hearing much feedback and testimonies from members about their experiences of the Celebration of Hope. Do find some opportunity to share your testimonies. Some of you can also write in as these testimonies can be of encouragement to the wider body. Do email [jowenna@cathedral.org.sg](mailto:jowenna@cathedral.org.sg) if you would like to share your thoughts or feedback.

Let's also be alert to the opportunities to welcome new Christians or seekers who drop into our Services every weekend. If you would like to find out more about the Christian faith, do have a chat with the pastors after the Service. We will also be starting the 10-week Alpha Course on 10 July. This Course is geared towards those inquiring about the Christian faith. There will be a good home-cooked meal served as a way of helping everyone to settle in and get into the mood for conversations. Then there will be a video talk cum documentary on topics like "Who is Jesus?", "What is the Bible all about?" and so on. What follows immediately is perhaps the best part of the Course: participants meet in small groups to explore the issues of life and faith together in a fun and safe

environment where the views of every participant are respected.

I have met many whose lives have been transformed after they attended Alpha. I will always say that issues of life deserve our commitment of time to explore. You will not regret giving time to this. Join in for one session and you can always decide if you want to stay on. And many do!

We are also hoping to start some Follow-up Groups. What are these? These groups are helpful for new Christians who would need to be helped to practise their new found faith. Write in to [hambali@cathedral.org.sg](mailto:hambali@cathedral.org.sg) if you have any questions on this.

For those who want to strengthen their basis for faith in our modern world, we are also running the Faith & Life Course - "What does Science have to do with God and me?" - where there will be a dedicated team which will be guiding and facilitating the learning process. There has been an acceleration of scientific learning and findings, fuelled

# PRAYER HIGHLIGHTS

## WORLD

### Iraq

Iraq's Christian community is one of the oldest in the world but has dwindled by about 83% in the last 15 years and Christians continue to fear for their safety and wonder if peace will last. Nevertheless, in areas where insurgents have been largely defeated, Christians are beginning to return. Pray for God's provision, hope, courage and the will to rebuild a completely destroyed homeland.

Pray that Iraq and all her people will enjoy a time of rest, rebuilding and relative political stability. Pray for healing from trauma and for accessible medical support and aid. Pray for schools starting in liberated regions like the Nineveh Plains. Pray that God will provide these schools with infrastructure, resources, and stability and that the children will be able to quickly enter into a routine that provides a sense of security and hope.

## SINGAPORE

Pray for divine guidance as the government leaders of Singapore and China continue to work towards advancing bilateral cooperation between our two countries. Pray also for God's wisdom to deepen such cooperation in many more areas, through the Joint Council for Bilateral Cooperation and other platforms.

Pray that the gospel seed which has been planted in the hearts of many, in Singapore and overseas, through the Celebration of Hope rallies, will continue to grow and bring forth much fruit. Pray that the witness of the Church will increase as the flame of evangelistic fervour continues to burn in the heart of every Christian.

## DIOCESE

### Province of South East Asia

Pray for the Archbishop of the Province & Bishop of the Diocese of W Malaysia, the Most Revd Datuk Ng Moon Hing, the Bishop of the Diocese of Kuching, Rt Revd Danald Jute, the Bishop of the Diocese of Sabah, Rt Revd Datuk Melter Tais and the Bishop of the Diocese of Singapore, Rt Revd Rennis Ponniah, that God will knit their hearts together; envision and empower them to serve His purpose in the Province; deepen their collaboration in strategic evangelistic, discipleship and missions initiatives, to strengthen the Body of Christ in the Province and to extend God's Kingdom.

## CATHEDRAL

### 9 am Service camp (5-8 June)

Pray for divine empowering and anointing upon Cynthia Tay and Bishop Moses Tay as they minister God's Word to the 137 campers; for every camper to personally encounter the Lord and experience spiritual breakthrough in their lives. Pray that God will draw His people into a deeper commitment and devotion to Him as they pull away from the busyness of life to spend time in His presence.

### 4.30 pm Sat Service camp (8-11 June)

Pray for safe travel for the 83 campers; for every camper to personally encounter the Lord; God's anointing upon the camp speaker Ps Daniel Ho as he waits on God for the messages. Pray that God's Word, sown into the hearts of the children, by the children's ministry team, will bear good fruit in their lives. Pray that the bonds between members will deepen as they share warm fellowship with one another during the camp.

faith? I will encourage you to take this opportunity to attend this unique course which is available on our doorsteps.

Life is not just about knowledge and learning. It is also about relationships and belonging. We have over 90 Connect Groups which meet all over the city. I am sure you can find a group which you can fit into.

No one should have to go through the rigours of life alone. Even if you are a loner, the fact is we are all a part of a community. At times, we can't cope with life alone. There are seasons in life which can turn suddenly into dark and cold winters. No one is an island. Those around you can help. Suicide is never an option for it will inevitably affect those around you. As one way of ending life, it passes on the problems and griefs to others. There is such a thing as dying well and suicide is not that. Look for help please.
