# THANKFUL FOR A SEASON IN YOUR PATH

On 1st of July, I would have completed four years of ministry as Vicar here. There is much that Jennifer and I can be thankful for. We have been warmly welcomed by each of you. We have found new friends and made new acquaintances. PCC and lay leaders have been supportive. My fellow clergy, deaconesses, pastors and staff have worked well together in a season of change which is not always easy to navigate.

The ministry, calling and life here is very rich. There is a wonderful co-ownership of the calling and ministry responsibilities here. While I have to provide leadership in some areas, very often it is about permissioning, as many of you have become vision-bearers in your area of gift or influence.

*Some changes have been visible.* Such as, the cafe, the new position of the sound console in the Nave, the new eleven:30 Service, dropping the 7.30 pm Service, the refurbished organ pipes and bells, the new Pavilion (under construction) etc. Communications have been kept current with a new look bulletin, website, active social media, an SAC app, etc.

New ministries include the dynamic eleven:30 service where young people are

leading and vision-bearing, the new thrust in heritage work with the new Heritage Committee, a "delicious" Food Ministry, DCBS and Faith and Life tracks, Cathedral Podcast, the Befriending Migrant Workers ministry, the ministry to the Homeless, a new Family Life Ministry and the latest kid on the block, the Tamil Service. The renewed Intercessors Ministry has also played a key role as we sought the mind of the Lord together. They have helped host some milestone intercession events. Creative Arts, music and worship in both the Nave and CNS have been refreshed as well. Every Christmas@Cathedral was eventful. We have had some memorable and inspiring concerts and recitals in the Nave, some by our own choirs and members, others from without. And of course, this year's Celebration of Hope was a milestone experience for SAC, and the effects are still reverberating.

We can be thankful for every area that we sense have been refreshed, growing or showing signs of life and fruitfulness.

*Some changes or growth signs are less visible* and indeed difficult to measure. Are we more loving as a community? Are we more welcoming? Are we more mission or evangelism minded? Are we more prayerful? Are we more open to the work of the Spirit? Areas that are less tangible or measurable can be very important.

And have there been mistakes, a weakening or reversals? There are not a few, as we reflect back. Lessons can be learned. And yet, we should not lose our joy when things are less than perfect. I am sure I have made leadership or pastoral mistakes or been found wanting in some areas. You may know some. The Lord certainly knows - all. We continue to allow His grace to work within our lives, transforming us into His likeness day by day. I have said in my first

# PRAYER HIGHLIGHTS

## THE WORLD

### Haiti

Street protests over extreme inflation and allegations of government corruption have been going on for months, paralysing Haiti. Pray for a swift resolution of this crisis; for wisdom for leaders, both the ruling and opposition parties. Pray that God-fearing men and women may be raised up who would seek the good of the nation and establish justice, righteousness and long-term stability. Pray for the safety of her citizens, especially the vulnerable and for food, water, medicines and utilities to reach the many in dire need.

More than half of the Haitian population is younger than 24. Pray for the work of the Church to this segment of society, that youth would leave the streets and the path of guns and gangs as they are drawn to their Saviour and know the hope and future they have in Christ.

## SINGAPORE

Fresh graduates are entering the workforce at a time of economic uncertainty, apprehensions of a looming recession due to trade tensions and changes that are taking place across industries.

Pray that Christian graduates will not be anxious but will trust in God; they will be able to adapt to the rapid changes taking place in the marketplace, be enabled to focus on creating value, not merely adding value, to align with the changing expectations of Singapore's labour force.

## DIOCESE

### Ordination of Deacons and Priests (7 July)

Pray for all our brothers who will be ordained to the Diaconate and to the Priesthood, that God will strengthen them, equip them and enlarge their capacities to take on greater leadership responsibilities in their respective parishes and in the Diocese. Pray that He may give them a spirit of wisdom and of revelation in the knowledge

of Him, daily fill them with His Holy Spirit that they may be channels of His grace in the ministry of Christ to others, for the extension of God's Kingdom and the glory of His Name.

### Anglican Community Services

Pray that God will continue to bless and multiply the work of our Anglican Community Services, through the various avenues He has opened for us; that we will be His hands and His feet in meeting the diverse needs of the different communities in Singapore. Pray for His anointing upon the leaders of our Community Services; that they will sense the leading of the Holy Spirit and the organisations they lead will be bridges of hope, as their staff minister to the physical, mental, emotional and spiritual needs of the people under their care.

## CATHEDRAL

Pray that in the spirit of Celebration Of Hope, our Cathedral will continue to persevere in prayer for the lost, especially those in our oikos, and seize opportunities to share the gospel with them in this Year of Proclamation; we will continue to build and strengthen our unity in the Body of Christ through greater collaboration in evangelism and missions. Pray that we will be good stewards of the harvest God has entrusted to us – we will disciple new believers to be faithful followers of Christ and Kingdom workers.

### Christian Education Courses in July

Pray that Cathedral members will be enriched and equipped through the talk on "Christian Perspectives on Chinese Medicine (6 July) and the Apologetics Forum (12 July). Pray that the speakers will be empowered by the Holy Spirit to impart spiritual truths with clarity and that Cathedral members will make full use of these learning opportunities to grow in our spiritual knowledge and understanding of God's Word and its application to the issues of life.

## PLEASE PRAY FOR THE SICK

Annie Dang, Marjorie Lau, Nancy Li, Barbara Rayney, Joy Brett, Doris Proctor, Dr. Ruth Jeremiah, Anna Lim, Ana Pelaez, Chew Hock Hua and Lim Soon Chye.

Members who know them are encouraged to visit and pray with them.

## THE VICAR WRITES *Continued from page 2*

message shared at the Camp in 2015, that I hope I will continue to grow as a Christian as I journey with this new family and find mutual encouragement. Indeed, I have.

Some clergy and staff have moved on. Some have retired. Some are serving in a different season as auxiliary clergy. And a few have returned home to the Lord. Just recently, we bid farewell to Chay Sing Wah, a long standing and active member here. Saying goodbye is always difficult.

I often ponder on the seasons shared together and friendships experienced. I am reminded of some of the lyrics from Wayne Watson's "A Season in your Path":

*I guess God alone deciphers  
When people need each other most  
Who will be the blessed receiver  
And who will be the gracious host  
And all a servant here can do  
Is unto the Lord avail  
Content at times to be the wind  
And at times to be the sail*

*Some old memories make me cry  
Remembering the good times makes me  
laugh*

*But all in all I'm richer  
For the happy and the sad  
And I'm **thankful for a season in your path.***

MEDICINE**

Peoples

**Speakers: Dr Lai Pak Wah & Dr Joanna Liew**  
Organised by SAC Men's Ministry and Biblical Graduate School of Theology.

The use of Traditional Chinese Medicine (TCM) has often been a point of contention among Christians. What is TCM? Can Christians use it or even become TCM physicians? What might TCM have to say about men's health? Join Dr Lai and Dr Liew as they evaluate this ancient medical tradition from a biblical and theological perspective.

Date: **July 12, 2019 (Friday)**

Time: **7:30 to 9:30 pm**

The parenthesis is intentional. There are some living a meaningful life without a Christian God, and some believers somehow lack that meaningfulness. Our speaker, Yutaro Kato, aged 24, is an OCCA Fellow with the RZIM Asia team. He experienced the love of God and had a simple faith as a child, but describes how asking tough questions sparked his quest for a meaningful life.
