RESTORATION WORKS TO OUR CATHEDRAL BUILDING

The last significant work to the building was done in 1991/92 when the roof tiles had to be completely replaced. Some plaster repair and repainting works were also carried out at that time, together with other minor works within the building.

Periodic repainting has been carried out since then. Our building faces the usual effects of weathering but over time, unsightly plaster peeling and blistering has surfaced. Since 2012, we have been testing various options to find a more permanent solution. We also compared notes with recent repair works in other historic buildings in the city and West Malaysia. Solutions have been explored and tested and the team has arrived at some conclusions.

The Building and Development Committee (BDC) set up a RWC in 2018, comprising members from English and Mandarin congregation to plan the work and see to its implementation, working with staff from our Estate Management team. Advised by Prof Yeo Kang Shua, our Conservation Advisor, the Restoration Works Committee (headed by Lee Chi Kuan) have tested and arrived at a workable solution.

Replastering and repainting areas on the internal and external walls will be the costlier aspects of the next phase of works. As we look closely at some areas, we are likely to encounter new issues which will need to be resolved, adding to the costs. The team had to do works on the Bell Tower recently and encountered unforeseen issues. That was a good place for the team to build up their experience and projections for other areas in the building.

As mentioned in April's AGM, we are estimating the costs of the next phase of restoration works to be around the region of \$6 million. We are grateful to be given

a grant of \$977,000 by the Preservations of Sites and Monuments for this project. We also received another pledge of \$750,000. The rest will have to be raised and soon, we will make known to the congregations how they can contribute.

Other works will include electrical works to remove unsightly cabling that grew along with the changing needs in the Nave. There will be the eventual replacement of internal and external façade lighting, and the air cooling system and timely to do a review of our fire prevention measures and safety issues.

Below is a fuller list of areas which will be covered in the next phase of restoration works:

- Plaster and painting of the external and Internal walls of the main building and the Transepts.
- Electrical works – below floor channeling for cables, relocation of sub distribution board (DB) at back of South Aisle, replacement of lighting fixtures to the interior and the external facade, replacement of air-cooling system and plumbing work at the vestry and sacristy.
- Fenestrations – work on the clerestories, protective glazing for the stained glass at the East windows and west porch; repair of window frames
- Carpentry / joinery – Repair or restore pews, stalls, wood furniture, windows,
- Replacing the West Porch gate with glass door
- Poultrice marble cleaning, replacement of carpet, wood floor
- Washing of roof tiles, and
- Cleaning /restoring memorial plaques, artefacts
- Cleaning of roof slates

The Cathedral is a part of the civic district and has a significant place in terms of heritage and as a tourist attraction. Our building needs to be kept in a good state of repair as a witness to our sense of stewardship and responsibility.

PRAYER HIGHLIGHTS

THE WORLD

Mexico

Pray for President Andres Manuel Lopez Obrador and his government as they seek to bring peace to Mexico's streets, rid the nation of graft, reduce debt and spur development. Pray for God's wisdom and solution to bring order and security in a country ravaged by notorious drug cartels. The country grapples with a record murder rate, with more than 17,000 people killed in just the first half of 2019.

Pray for God's protection over pastors of the cities and the church in these violent environments. Pray for the church's ministry among the youth. About one-third of the population is under the age of 15. Pray for a mighty move of the Holy Spirit and spiritual breakthrough, that Mexico's cities and communities will be rapidly transformed by the Gospel of Jesus Christ.

SINGAPORE

Pray for divine guidance and wisdom for our government leaders as they focus on tackling the issues outlined by our Prime Minister in his National Day Rally speech i.e. climate change, education, older workers and the impact of ongoing tensions between the United States and China, on Singapore and the global economy. Pray that Singaporeans and residents will be aware of the urgent need to cooperate with our government in taking the necessary measures to safeguard the future of our nation.

DIOCESE

Deanery of Nepal

Pray for:

- The leadership of the Anglican Church in Nepal which is going through renewal with the retirement of some clergy and pastors in the next few years. Pray for God's grace, wisdom and guidance in the leadership transition process.

- The speedy approval of visa applications for our cross cultural workers which is currently stalled due to changes in policies.
- The Church in Nepal to grow in the midst of rising persecution (from February to July 2019, 97 missionaries were deported from the country); for Christians to remain fervent in faith and courageous in witness.
- Political stability in the country amidst rumours that the Prime Minister Mr. Oli is not in good health.

CATHEDRAL

Alpha Weekend Away (31 Aug)

Pray for the powerful presence of the Lord to be manifest during the Alpha Weekend away; for the guests to encounter the love and truth of Christ and be filled with the Holy Spirit. Pray for joy, wisdom and empowerment for the hosts and helpers as they serve God and bless the guests.

289 Fellowship of the Manger

– Mission Trip to Batam, Indonesia (31 Aug)

Pray that the villagers in Batam will be open to God's word and experience His love through the ministry of the team. Pray for unity between our volunteers and the Batam church staff as they pray, plan and prepare to serve the people in this mission. Pray also for Mike Nga, our mission team coordinator, team leaders and members to be in good health, to have God's favour and protection on this trip.

Thanksgiving

Thank God for the forty-four brothers and sisters baptized on 24 Aug. We share their joy in the public declaration of their allegiance to Christ, welcome them into the family of God and pray that they will continue to grow strong in faith, deeply rooted in the word, to become faithful disciples of our Lord.

PLEASE PRAY FOR THE SICK

Annie Dang, Marjorie Lau, Nancy Li, Barbara Rayney, Joy Brett, Doris Proctor, Dr. Ruth Jeremiah, Anna Lim, Ana Pelaez, Chew Hock Hua and Lim Soon Chye.

Members who know them are encouraged to visit and pray with them.

How do you watch a movie prayerfully, letting the story and soundtrack move your heart in such a way that it draws you closer to God?

The Greatest Showman, 2018's most successful movie-musical, invites you to let its soundtrack inform your spiritual journey. What might its songs tell us about our deepest desire, about our true identity in God and what prevents us from living out of our truest self, and other aspects of the spiritual life?
