## **ST ANDREW'S CATHEDRAL** THE DIOCESE OF SINGAPORE

### WELCOME

A warm welcome to all members and visitors to our Services today.

#### HOLY COMMUNION

We welcome all confirmed members of the Anglican Church and visitors who are communicant members of other churches to share in the Holy Communion with us. Our practice is to have the Holy Communion by intinction (dipping of the wafer into the wine). If you are not partaking of the Communion, you are welcome to come forward to receive a prayer of blessing. Please keep your hands clasped to indicate that you are not receiving the Communion.

#### PRAYER & MINISTRY

If you would like to talk to someone or receive prayer ministry, in most Services this is offered either during or after a Service. Note the following:

<b>Sat 4.30pm</b>	In Service
<b>8.00am</b>	After Service at prayer table
<b>9.00am</b>	In Service
<b>11.15am</b>	After Service at communion rails
<b>eleven.30</b>	In Service

#### CAR PARKING

There are very limited carpark lots available within the Cathedral. Members and visitors are encouraged to park at the surrounding carparks on Sunday.

#### CHILDREN MINISTRY

Each Service has special provisions for families with young children. Please see page 3.

## GROWING THROUGH THIS CRISIS

"The worse may not be over, but it has not worsened." The situations seem to be stabilising. This is how I see it even as we gather - or stay away- for another weekend of worship. As I said last week, we will do our best to "over-communicate." We do appreciate the many feedback we have received, and whatever steps we take need to be coherent and consistent across our Services.

Do note that the prevention factors advised by our Ministry of Health remain as the most important ones, such as the need for us to **stay away if we have any symptom of sickness, even if they are mild.** We are now broadcasting (or live-streaming) our 8am Services weekly.

The multiple cameras in the Nave allow us to do it quite effectively. As the words read or sung by the congregation are projected on screen, this means that even from your home, you can meaningfully participate in the Service ie. singing along with the hymns and joining in the prayers. You can still watch the video later. My advise is that you don't just run it in the background or watch it from your bed. Set aside time for **intentional worship** or do it together with your family for the needed focus and discipline. If you have a coffee by your side, I would think that is acceptable! **Giving is also an act of worship**, a weekly discipline to be encouraged. Please note the online giving options that are available.

Should our Connect Groups meet? There is no blanket answers to this as each group is different. I have confidence that the leader and core members will find their own rhythm. Please pray for wisdom and love and care for one another in Christ.

While we may postpone our Alpha and Confirmation classes, this is a season where many need to hear the Gospel. We had a lot of training last year on personal evangelism and were reminded not to over-rely on event-based evangelism. This is a good time to pray and learn to "coffee" with your friends and seekers.

It is a different way of being Church and perhaps changes in recent years have

positioned us to respond to this crisis. As we have been told in our clergy meeting, it is time our parish takes IT tools seriously. Indeed, we must. Good Christian Education courses can be made available online. We have so many good sermons preached every Sunday and this should be made easily available. Even if a member did attend a Service, to be able to hear what is being said in another is a blessing. Hymns and worship songs, sung in season, are another source of blessing. The SAC community need to be connected online and our presence there can also be a form of our witness to the world. We do know how the latest tools can help seniors to be connected. Please do your bit to help some who may not know how to. With the use of apps, it has been reduced to the touching of an icon. It isn't more complicated than that.

And as the Church goes "on screen", we also realise that a huge majority of our city folks, especially those in the youth and young adults category are already spending a lot of time on screens. Our young people in SAC can participate and show the way and help SAC to level up.

About 12 years ago, I wrote an article on the importance of IT in Trinity Theological Journal and how it is changing the way we do Church. It was by no means an academic article with a list of footnotes and I am sure it was not highly regarded in some quarters. I know I will always have to struggle with sceptics for the rest of my ministry (God give me strength). I am seeing "what the Father is doing" and in prayer and reflecting deeply, I have always sought to serve His Church prophetically and by His grace, and to lead that we may go from point A to B. "What we should do, where we should be going" is a needed leadership responsibility. It can frustrate those who cannot see or who do not like changes or movements. I don't always have the authority to get everyone headed in the right way. And so I keep talking, explaining, cajoling, writing etc. I am most comforted that this is His Body with many members, where each is to do their part and we let Him orchestrate.

This season will sift, reveal and test the authenticity, robustness and resilience of our faith and relationship with God. As Revd Hambali has shared, "this crisis can disciple us."

Let it.

## GIVING TITHES & PLEDGES

It is always a privilege to worship God through the resources He has blessed us with. Tithing and pledging is a planned and disciplined form of giving which also helps the Cathedral to plan and budget well for her ministries and missions giving. For those who wish to start tithing or pledging to the work of the Cathedral, please visit [cathedral.org.sg/giving](http://cathedral.org.sg/giving) for instructions on how you can begin to do so.

# PRAYER HIGHLIGHTS

## THE WORLD

### China

Thank God for the courage He has given His church in China, to rise up and shine for Him; that in many parts of this nation, God's people risk their health and lives to share His love with those in need. Pray for restoration of strength and hope in the midst of an uphill battle against the COVID-19 infection. Pray for the government leaders of China to have divine wisdom as they organise manpower and resources to find a cure, to contain the spread of the virus and provide speedy medical aid for the infected.

## SINGAPORE

### Thanksgiving and prayer

Thank God for His provision of a good health care system in Singapore and for the many who have recovered from the COVID-19 infection under the care of our dedicated team of doctors and nurses. Pray for continued protection over our healthcare workers and their families. Pray for our government leaders to be divinely guided as they seek to help different sectors of society that have been adversely affected by the COVID-19 outbreak. Pray that Singapore will remain united and strong as we face this crisis together.

### The Church in Singapore

Pray that the Singapore Church will stand together in united prayer for our nation and the nations of the world; that in our time of seeking God, we will know His thoughts and understand His ways; that this crisis will make us stronger in faith, more vibrant in witness and channels of blessing to the communities in Singapore.

## DIOCESE

### Diocesan leadership

Pray for God's divine strength and wisdom to be upon our Bishop, Bishop-designate and senior leadership as they watch and pray over the flock in our Diocese during this critical time. Pray that they will be led by the Holy Spirit in decisions they have to make; that in all things, God's Name will be exalted and glorified.

### Deanery of Indonesia

Pray that God will anoint the pastors and church leaders as they provide spiritual direction and leadership to the new church plant in Palu, Central Sulawesi. Pray for members' spiritual growth and commitment, especially in the areas of Palu which were affected by the earthquake and tsunami. Pray also for the establishment of a kindergarten in Palu, the commencement of construction on St Andrew's School in Niki-Niki and the construction of St Margaret's School in Pontianak (in partnership with the Diocese of Kuching) to meet the educational needs of the children.

## CATHEDRAL

Pray that our Cathedral doors will always be open to everyone, and many who are lost or fearful will encounter Christ in a very real and personal way. Pray that all who enter the Cathedral grounds, will sense God's presence, peace and find their true identity and security in Him. Pray that the light of Christ will shine in and through our Cathedral, that all may see our good works and glorify our Father who is in heaven.

Pray that in this difficult and uncertain time, we will pause from the distractions of life, re-focus our attention on God's priorities and bring everything into alignment with His perfect will.

### PLEASE PRAY FOR THE SICK

Annie Dang, Marjorie Lau, Nancy Li, Barbara Rayney, Joy Brett, Doris Proctor, Ana Pelaez, Rachel Liew Lah Ket and Lim Soon Chye.

Members who know them are encouraged to visit and pray with them.

### THE QUIET GARDEN RETREAT

**7th March 2020, 9am to 1pm**

#### North Transept Hall

During this season of Lent, let's take a walk with the people of Israel, the Magi and Jesus as they journey into the wilderness. Let's look at their wilderness journey and learn from them valuable lessons on how to keep the faith and be transformed. Let's look at our own journey and how we can be like them.

Material for meditation will be provided and you are free to use your own. The retreat ends with 'bring and share' lunch.
