COLLECT FOR SECOND SUNDAY AFTER TRINITY

Lord, you have taught us that all our doings without love are nothing worth: send your Holy Spirit and pour into our hearts that most excellent gift of love, the true bond of peace and of all virtues, without which whoever lives is counted dead before you. Grant this for your only Son Jesus Christ's sake, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen

CHURCH OF THE PROVINCE OF SOUTH EAST ASIA

The Province was inaugurated in February 1996 with a service held at St Andrew's Cathedral Singapore. Our first Archbishop was the Right Rev Dr Moses Tay, Bishop of Singapore. It was a coming together of 4 Dioceses – Kuching, Sabah, West Malaysia and Singapore.

The Provincial Synod will also appoint the Provincial Registrar, Provincial Secretary and Provincial Treasurer.

Our current Archbishop is the Most Revd Datuk Melter Tais, the Bishop of Sabah and his 4 year term started in February 2020.

Within the Anglican Communion today we have 40 Provinces, each led by an Archbishop or Primate. The largest Province in terms of membership is Nigeria with about 25% of the total number of worldwide Anglicans. Today, the majority of Anglicans reside within the Global South continents of Africa, Asia and South America.

The Provincial Synod has 3 Houses. The House of Bishops comprises the 4 incumbent Diocesan Bishops. The House of Clergy comprises 3 Clergy representatives elected from each member Diocese, and the House of Laity comprises 4 members of Laity elected from each member Diocese. In addition, at the commencement of each Session the Archbishop will appoint the Provincial Chancellor.

While each member Diocese continues with the mission of the Church under the leadership of the Diocesan Bishop, the formation of the Province has brought about the opportunity to partner in mission and evangelism within the 9 countries of Brunei, Cambodia, Indonesia, Laos, Malaysia, Nepal, Singapore, Thailand and Vietnam. Our Diocese which has largely been involved in urban mission, has been able to benefit from the experience of the Malaysian Dioceses in rural mission.

With the global growth of the Anglican Church, the Anglican Provinces have become the primary link at the International level. Our Province through the Global South Fellowship has played a key role in upholding Biblical Truth as liberal teaching

become increasingly pervasive in some Provinces toward the end of the 20th century and into the 21st century. Currently our Province remains in a state of impaired communion with The Episcopal Church (of the US).

Our Province has also played a key role in initiatives such as Economic Empowerment and our Bishop has been the Chair of the Study Group on Enhancing Ecclesial Responsibility.

Our Cathedral clergy and members have served in the Provincial Synod and Standing Committee since the formation of the Province. In past years these have included Bishop Kuan Kim Seng (Chair of Provincial Mission PROSEAMS, Provincial Standing

Committee), Charles Leong (Provincial Standing Committee and Synod), Keith Chua (Provincial Treasurer, Standing Committee and Synod). In the current Provincial Synod Session, we have Dr Stanley Lai (Provincial Standing committee and Synod) and Chan Kheng Tek (Provincial Synod).

There remains a significant work in bringing the Gospel to the hundreds of millions in the 9 countries in our Province. May we remember the words of our Lord and Saviour Jesus Christ who told us the Harvest is plentiful but the labourers are few. Let us pray that the Province He formed 24 years ago will be faithful in fulfilling the Great Commission.

We want to stay connected with you.

PRAYER HIGHLIGHTS

THE WORLD

West Africa – Burkina Faso

The landlocked West African nation of Burkina Faso which was once a farming area has been badly affected by drought and the land which once supported generations of farmers, is now dry. Years of drought have caused erosion of the top soil. More than two million people are facing food scarcity. Pray for timely international humanitarian aid to reach every needy person that none may perish from starvation. Pray for God to send rain that the land may become fertile again and farmers may cultivate it to feed their families. Pray also for the East and North of Burkina Faso which are areas most affected by terrorist attacks. Pray for divine protection over the people and for an end of such attacks which have thus far taken 900 lives and displaced 860,000 people over the past five years.

SINGAPORE

Thank God for helping Singapore to bring down our community infections during the circuit breaker period and for the gradual re-opening of our economy. As Singapore moves into Phase 2, pray that businesses will be able to re-open “safely and in a sustainable way”. Thank God for a caring and proactive government, for our Ministers, civil servants, healthcare workers and countless volunteers who have worked tirelessly and sacrificially to manage a large number of issues presented by COVID19. Pray that God will bless our government leaders with wisdom and foresight as they continue to build strategic networks and new partnerships both locally and overseas to help our companies develop new business models, create jobs, upskill workers, build

capabilities and expand overseas. Pray for God’s continued favour to be upon us as we keep our economy open and connected to the rest of the world, that we may maintain our position as a choice hub for business, finance, trade and data flows.

DIOCESE

Yishun Christian Church

Pray that members of YCC will continue to grow in Word and Spirit and it will be evident in their daily expression of faith wherever they are; for Church pastors and leaders, that they will continue to be effective amidst the measures of safe distancing and limitations on physical gatherings. Pray also for the discovery of new and creative ways to reach the people and to be a witness of God’s peace, hope, and love. Pray for the Supervisor of Praiseland Kindercare Mrs Anne Chan and her staff, that they will be empowered to raise up a future generation of God lovers and God fearers who bear the character of Christ in their lives.

CATHEDRAL

Pray for our Vicar Canon Terry and the Cathedral leadership to be divinely guided as they seek the Lord on how the Cathedral should re-open its doors within the permissible limits set out by the government. Pray for continued protection over those who come into our church for private worship and over those who serve in various capacities on our church grounds. Pray for divine wisdom to plan and organise the resumption of various essential ministries on virtual and other platforms that the Church will continue to grow and to shine for the Lord as salt and light to the world.

NEWS ON THE LATE REVD CANON MERVYN MOORE

Revd Canon Mervyn Moore passed away in South Africa on 15th June 2020. He was battling with congestive heart problems. He leaves behind his wife, Dawn.

He was such a wonderful gift to our Diocese. He loved us greatly and we were blessed by his continual service as our Canon Emeritus. He has also served wonderfully as Warden of St Peter's Hall and is well-loved by the students. He also served the Cathedral from time to time and his last ministry with us was to teach at the new Anglicanism Course early this year.

He has fought the good fight, kept the faith and finished his race well.

Please keep his wife Dawn in your prayers.

40.day 2020

JULY 1 - AUGUST 9

IN THE LONG RUN

They don't have the virus yet. But they are showing symptoms of a highly contagious disease that is more sinister and deadly than Covid-19. It started in the first century AD and continues to this day. It's the Pandemic of Casual Christianity. The church addressed in the Book of Hebrews was one of the original clusters.

The symptoms of this disease are alarming: Neglecting salvation. Drifting from the Gospel. Skipping church. Running after strange teachings. Skirting the edge of apostasy. And many more. All second generation concerns.

Hebrews is a sermon scripted for a church in crisis. With scientific precision, the Preacher diagnoses the root cause of their problems: Inadequate Christology. They don't know Jesus well enough. As a spiritual health scientist, the Preacher not only prescribes the cure. He also administers it in a riveting message that still speaks today.

In the Long Run is the theme of 40.Day 2020. It's a listening journey through the Sermon to the Hebrews. You are invited to zoom in starting from July First 2020.

The meeting will also provide do-able opportunities for all to join these groups in the Cathedral's outreach work.
