PROGRAMME FOR

2024

Christian Education

Christian Education is the God-centred, Bible-based and Holy Spirit-empowered Teaching-Learning process, through which the church community is guided at every stage of the member's life journey, to grow in the knowledge and love of God, and be disciplined to obey His commandments and walk in His ways.

Our purpose and goal is to present everyone mature in Christ (Col 1:28; Eph 4:13) so that God may be glorified in every aspect of the Christian's life. It encompasses more than just Bible knowledge per se, as it is the holistic education of the individual which includes aspects of developing a Christian Mind, Christian Spirituality, Christian Living and Christian Formation.

In **2024**, the rhythm of studies
and equipping will be as follows:
