

NEPAL (WEST)

The Anglican church in Nepal continues to flourish amid pressure as a remarkable indigenous movement. The large majority of Nepali Christians worship and fellowship in thoroughly indigenous structures and networks. West Nepal is the country's least explored, with most Christian missions focusing on East Nepal. Cathedral is venturing into the West, to support the work of our churches in this region.

PRAYER POINTS

- Pray for the Christian community who are undergoing persecution; their safety, faith and perseverance, that the church will be a light in the midst of the challenges they face.
- Families, children and youth – be protected and safe from the challenges of economic exploitation, sex and children trafficking, drug abuses, lack of proper jobs, health and medical care and support.
- SAC's partnership and involvement – more church members to volunteer in Nepal mission, understand and support the local churches and their ministries.
