

PROJECT KHMER H.O.P.E. (PKH)

Sharing God's love to the poor youth and children in Cambodia to bring them hope and a future

Set up by the Cathedral in 2000, Project Khmer H.O.P.E. (PKH) aims to meet the social and economic needs of the poor and needy in Cambodia, helping them out of the poverty cycle and bringing them hope in Jesus Christ.

PKH works with the youth and children through three PKH Centres and a PKH English School to provide residential vocational training for youth and to support the education of children who cannot afford schooling.
