TENTH SUNDAY AFTER TRINITY

Almighty Father, whose Son Jesus Christ has taught us that what we do for the least of our brethren we do also for him; give us the will to be the servant of others as he was the servant of all, who gave up his life and died for us, but is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

PRAYER HIGHLIGHTS

Pray for Singapore as we celebrate our nation's 61st birthday on 9 August 2026

- As we celebrate Singapore's 61st birthday on 9 August, we thank God for watching over our nation and for sustaining us through the many difficulties and challenges of nation building; transforming us from a small fishing village with limited resources, to a first world metropolis of prosperity, stability and innovation.
- We thank God for our founding fathers and successive generations of political leaders who have served Singapore with clarity of focus, unshakeable determination and selfless devotion. We pray that God will continue to raise up many god-fearing men and women from the younger generation as our Prime Minister Lawrence Wong continues the ongoing process of leadership renewal to prepare younger politicians for more senior roles in government.
- We pray for our President, Tharman Shanmugaratnam, our Prime Minister Lawrence Wong, Cabinet Ministers and Members of Parliament, that they may continue to lead our nation with foresight, fortitude and compassion, amid multiple challenges on the national and international fronts.
- We pray that God will enable them to position Singapore on the global stage as a proactive and meaningful contributor towards a stable and inclusive world order. We pray that Singapore will remain at the forefront of digital and technological advances, and possess the agility to adapt quickly to global transitions while ensuring economic resilience. We pray for divine favour to forge strong international partnerships and be actively engaged in global frameworks that promote international co-operation and enable Singapore to a blessing to the nations.
- We pray that God will guide our government and civil service as they navigate the many challenges within Singapore, such as an ageing population, high cost of living, technological disruptions necessitating adaptations in the workforce, economic growth, environmental pressures and security issues. We pray for creative solutions and good planning to secure Singapore's prosperity and social stability.
- We pray for a meaningful National Day celebration that will rally Singaporeans together; that Singapore will continue to remain a cohesive society where different races can live together in harmony, uphold a national identity and have a deep sense of commitment to build a shared future together.
- We pray for families in Singapore to be close-knit, where family ties are valued and where love grows deep in a home environment that is safe and nurturing for our children and youths.
- We pray for the Church in Singapore to live out its calling faithfully as a beacon of Christ's light in our city-state. May believers be united in love, bold in witness, compassionate in service, and faithful in prayer, that God will be glorified in and through our nation.
